Subject: RE: Grenfell Leaseholders Association - March 2017

Dear Ms Johnson

Many thanks for this. I have agreed to attend the meeting with Ms Williams and Ms Bartholomew and have given the Leaseholders' Association details of my availability, but have had no reply.

For the avoidance of doubt, I think residents will be re-assured only if they have a report from the London Fire Brigade on the safety of these gas pipes. The major fear relates to the ongoing anti-social behaviour in the stairwell and the fact that the valves may be vulnerable to interference.

Kind regards

Cllr Judith Blakeman

Tunde,

Please find a letter attached, in response to the concerns you have expressed to KCTMO and RBKC about the outstanding repairs to Grenfell Tower, the location of the gas pipe and the banging noises you have reported as causing a noise nuisance to residents of the tower.

I would encourage you to report any outstanding issues with repairs and maintenance through the usual channels and KCTMO will endeavour to respond as soon as possible.

Regards
Laura Johnson
