Dear Janice,

Thank you for your e-mail. I must emphasis that time is against you bearing in mind that discussions regarding the provision of adequate fire safety measures in the TMO building stock have been taking place with members of my team for over a year now. Can I suggest that we have a meeting with Mr Robert Black and Jean Daintith some time over the next week to discuss the type of undertaking that the LFB would accept. While I accept that you have started on this work I am still not happy that what has been supplied is sufficient to justify my team not undertaking enforcement action. Can I suggest Monday the 13<sup>th</sup> July at 10.00am or Friday the 17<sup>th</sup> July am or pm
