I wouldn't be keen on tabling this - we need to read the report then she can present it. If it's available before the meeting, then I suppose we could read it and then review it at the meeting. I have to admit I am loathe for my last meeting to be dominated by GT again! I rather thought it might be one for the next chairman!!

Maigraid wants to present the TMO Board Members report into Grenfell. I have not seen the report yet, but assume it is something we can table and discuss ,IF there is enough time on the agenda.

I recall that our Grenfell position was to read what TMO concluded and then consider what HPS should do. I would like to see the report first.

I'd like an update on where the Housing Bill has got to in Parliament and any further discussions we might have had with Ministers/civil servants.

Sam is there anything else you'd like on the agenda (no need to add unnecessarily of course!)

Best regards

Dear Cllr Marshall,

I have already canvassed officers for items and the following have been put forward:

Interim Report of the Garages Working Group
Key Decision - Rehousing Plan
Directors Report on Housing
Key Decision - Kensington and Chelsea College, Wornington Road

There will be no Cabinet Member Report for the May cycle.

If you would like to discuss these with Mr Herbert and Ms Johnson I can arrange something early next week?

Kind regards,
