Dear Cllr Mackover,

Thank you for your email.

The petition on Grenfell Tower has been referred to Ms Johnson, Director of Housing. Cllr Marshall has agreed for the item to be discussed at the 6th January Housing and Property Scrutiny Committee. The Lead Petitioner will be written to shortly to advise them of this.

Please do not hesitate to contact me if you have any further queries.

Kind regards,

Asha Gupta

Dear Sam

People have a right to record, photograph or film council meetings. It is in fact encouraged by the Government.

Matthew sent me a note during the meeting. Even more reason why the behaviour of members during the meeting is important!

Dear Mr Mayor

Please can you let me know who was filming the whole meeting from the public gallery? Was permission given? Should this have been announced?

A petition was presented in relation to Grenfell Tower. It called for the HPSC to look into alleged problems with the redevelopment. As vice chairman of HPSC, can I examine the petition? Who holds it now?
