Michael, a letter was sent to the Leader (15 01 05.. attached) from the Fire Authority.

It made its way down the chain to me.

I contacted the Borough Commander and received the additional information attached. It is fairly basic and we may well be doing all of this already at RBKC.

This correspondence results from the findings of the Lakanal House enquiry. The Fire Authority wish to engage with those involved in the refurbishment and repair of their property portfolio.

I am therefore forwarding it to you. (If you do not feel this is appropriate please let me know and I will contact the Fire Authority)

I have also forwarded this to Amey and the TMO.

Please call if you wish to discuss this.

John
