Attachments: Electrical Certification - Apartments 1-206.pdf

Hi John

Please see attached the electrical certification for the flats at Grenfell Tower

The new build flats are numbered 2-10, please note that flat 6 is still being built

The other certification are for the minor works done in the existing 120no flats (sorry for the large file size-this is how the electricians sent the file to me)

Any questions, please give me a call

Kind regards

Dave
