Hi Janice

Dave Hughes said 3 chaps turned up, he thought all from the same watch – but could not remember any names!

So it did happen.

Mike,

Could you contact Janice Wray regarding the request to attend Tuesday morning, you have a QA1 with GM Davies scheduled but he will be away on leave so that will not happen. This will be a good opportunity for crews to ask any questions with the site agent before they leave.

Regards Nick

Hi Nick

Further to our discussion at the May liaison meeting about familiarisation visits to Grenfell Tower at the conclusion of the work – please see message below from my colleague. Would it be convenient for your chaps to attend on Tuesday morning and be briefed by the Rydons Site Agent before he leaves site?

Please advise

Thanks

Janice

Hi Janice

I have just received the Practical Completion certificate on Grenfell, with a few caveats, but basically saying the few outstanding items are very minor.

Rydon are available on **Tuesday 26 July** morning if this is possible for the Fire Brigade to catch up with them.

You appreciate that Rydon only have an intermittent presence at the moment as they are winding down and potentially leaving site next week.

I know it is short notice, but it is a good option so Dave can show them around.
