Hi,

I'd like to make a referral to your hoarding service for one of my clients in the Kensington and Chelsea area. The client has consented to the referral. Could you please advise me what is required for the referral?

My client has had input from a hoarding service before but there hasn't been much success. My client's housing association will need to take her to court soon if she doesn't de-clutter because contractors are trying to access all tenants' apartments to carry out works.

I look forward to hearing from you.

Kind Regards,

Janelle Devine
