Hi Janelle

Please find invoice attached form Mrs Moore of 181 Grenfell Tower.

Having spent a good deal of time with her, its clear to see that [REDACTED]. She now, [REDACTED] and is just embarrassed by her hoard, which she is keen to sort out. I think that she would greatly benefit from some further support to help her reduce her hoard and return her home to a more practical condition. Similar cases that we have worked on to this, have seen excellent results very quickly and the resident has not gone on to re-hoard.

If the budget is available, I think Mrs Moore would greatly benefit from a few more weeks of support.

Let me know your thoughts.

Many thanks

Andy
