Hi Claire

Please attached boiler commissioning sheets.

Flue gas information is on each individual commissioning sheet.

Is this what you required?

Kind regards

Dave

Hi Dave

Please find attached coms sheets for all 3 boilers, flue gas analysis is on the top left section of each sheet.

Having spoken to Hoval, the boiler do not have an inbuilt flue gas analyser.

If you can get a little more detail as to what the client is after, I may be able to assist you.

Kind regards,

Alan Whyte
