Subject: 136 Grenfell

Simon

I have just had a complaint from Mr Daffarn that the flat door of flat 136 was left open all over the weekend.

He also said the Perko was broken and the door would not pull to, to shut –can you please comment?

Also please confirm the flat door can be made to shut securely now, and that it will be left shut out of working hours so as no further complaints are received.

Thanks

Claire Williams
