Subject: FW: Grenfell smoke detection system drawing and certs - FRA 17C

Dave

I looked thro the O&M manual anda could not find the smoke detection certs – there was something from PSB (?) but our fire risk assessor has rejected that as not being what he wanted!

All help appreciated – even if you tell me where in the manual the stuff is.

Thank you for moving forward on flat 9 BT line, this is fabulous and will reassure our resident.

Hi Claire

I forward the info you provided to Carl and he has advised as below. Can you provide the certs he is requesting ?

Please advise

Thanks

Janice

No

Can the installation and commissioning certificate be provided for the installed fire detection devices?
These are modal standard BS 5839 Part 1 2013 certificates

Carl

Carl

Claire has provided this in relation to the action at 17C in the last FRA – does this answer your query?

Please advise

Thanks

Janice

Janice

I have taken a lot of stuff from the O&M manual – which is in our 'shared directory'/Building Manuals/inbox/Grenfell.

I hope this covers all the queries.
