Hi Paul,

Can this be reviewed?

In my view Grenfell is the best opportunity that Rydon have.

Many thanks

FYI.

Just had a discussion with Terence from JS Wright. He said he is going to struggle to return a tender for Grenfell Tower as he is snowed under with enquiries from Construction.

I have given him some extra time and he said he will see what he can do but annoying that we seem to have been overlooked. I did speak to Paul Featherstone when the tender first came into the office so he was aware of it mid December.

Thanks,
