Subject: Grenfell - Thurs Workshop Studio E 2pm
Attachments: Grenfell Work Packages - draft.xls

Everyone has confirmed the workshop for 2pm on Thursday

The plan for Thursday is to initially have a brief discussion on respective design issues to highlight areas for further coordination with a particular focus on allowing Terry to make contact with RBKC Building Control as soon as possible.

The remaining time we can use to initially map out work packages and a delivery programme. I have included a draft of potential work packages from the design team, it is by no means complete but I'd be grateful if you could look it over in advance to make the meeting move along a bit quicker.
