Hi Simon

I am not aware if the LFB have been given a copy of the building control application for comment. I know that Paul Hanson is the RBKC Building Control fire officer and he prefers to escalate any fire issues that he is unsure about to the LFB via his contacts. I am sending out a pack on information today to John Hoban as agreed with Simon (Lawrence) after yesterdays meeting.

I spoke to John Hoban yesterday afternoon whilst on the Academy site and mentioned Grenfell in passing- he mentioned that he is away for 3 weeks holiday as of the 09<sup>th</sup> October...

Regards  
Neil

Morning Neil,

Following a FRA yesterday on Grenfell Tower the assessor asked if the LFB had been issued a copy of the building control application form for comment.

Can you please advise if they were issued a copy.
