Thanks Claire

I would encourage you to include all alterations which have taken place since the application was approved to be wrapped up in this application e.g. change to doors at ground floor. As you say, we want to avoid submitting numerous amendments applications.

I was not aware of the extractor to the kitchen window, so I will need drawings for this also.

I will wait to hear from you.

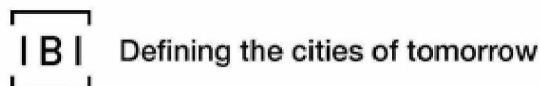

Kind regards

Amy

Amy

Thanks for info.

I am still awaiting drawings as I would perhaps like to be very careful over wording the window issue. I think also we talked about including the extractor to the kitchen window at this point.

I am nudging Simon Lawrence and Bruce through this email, as I think we also discussed changes to the building crown, and wonder if we could include this at the same time so that we don't have to serve notice to all households again.

Thanks
