Subject: FW: Stakeholders Meeting

Dear team

Laura raised this at my meeting yesterday. The e-mail below is from an Edward Daffarn who is angry about two things- the new academy and services on his estate. Laura wanted a number of things

- Could we do just a bit of checking on his tenancy background, he inherited tenancy she thinks but unclear of circumstances (Adelola/Alasdair)
- Issue of lack of investment in Grenville Tower and Lanc West in general (Mark/Sacha)

Laura's view is a lot of the people he mentions will not come but thought we should have it so she can then focus on the academy issues as a separate thing. So she wanted Adelola to set up the meeting, she would attend as a observer

Alasdair and Adelola- can you review and set up meeting and then we can agree who is best to attend

Robert
