Bearing in mind this is in the public domain now as it's on the LFB website, I think it may be wise to put together a joint press release setting out our position.

We should also mention this at Scrutiny tonight, it helps to pre-empt any muck raking which may take place on social media and shows that we are dealing with it and working with the LFB.

Thanks Laura

Just met the borough commander FB Rob. We now have the enforcement notice for Adair the other to follow. The key issue is door closers on both which we agreed and will now work out a plan and timescale.

Bigger picture is Rebecca (FB Safety) wants us to do this to all 10,000 properties and have a plan to check including leaseholders! But that is for latter

Thanks yes I thought it went as well as can be expected.

See you later.

Laura

Last push for tonight. Will you let Cllr Marshall know my Board decision, might be worth reminding him they have 4 appointee's and Pauline has confirmed she is happy to be on the review.

Board recommendations seem very reasonable, RBKC has no desire to be involved in the review I shall echo this point Cllr Mackover so that the recommendations the Board has made are supported at Scrutiny committee.

Subject: TMO Board

Hi Laura

Hope the back to work is going well. Board went well overall. Steve and Barbara's presentation was good and we got a few questions overall.

Grenfell came up and we had a discussion. Judith raised the issue of two new babies disturbed by the noise, dust etc but could not provide details and we have nothing on record, although as usual we said if someone needs help we will do all we can. She brought a copy of what they were going to say on Wednesday but the Board did not feel it was appropriate. I will ask her for a copy.

In terms of outcomes the Board agreed

- We needed to finish the project
- Carry out a review to see what has worked and not- ie lessons learned
- Usually this would be officers doing it but they want to be involved which is fine and adds the challenge and independence. Paula Fance wants to be involved and adds value to her regeneration work, she was very supportive, Kush will get involved and a few others as could Judith – they can listen to the issues
- The Board feels this is a TMO matter and wants to deal with it itself. I imagine they will be happy to share the outcomes with Scrutiny

Not sure what TCC will be like, it's a hell of a week to come back to

Best wishes

Robert
