Abi, do you want LHC to sign them off or do you want me to indicate which ones are ready for hand over? I'll pop in on site after lunch today and can discuss plan of action with Andy.

Abi, good morning

Abi, can I make a suggestion. Will you accept one report for at least two visits to site, this will save my time.

Obviously the first report for the pilot I'm going to send to you sometime this week.

Best regards
