

INCIDENT NO 076029-14062017

14-06-17

TOC 1:00:55

FIAT 16 GREENFELL TOWER

FF DAVID DECOSTA

E216 LEWISMAN R/W

██████ 6K

TIME SERVED 14YRS

ON ARRIVAL AT THE INCIDENT I PARKED E216
BRAMLEY RD AND MADE OUR WAY TO
TO BETTER GYM R.V

SHORTLY AFTER WE WAS TOLD AS A CREW
TO MAKE OUR WAY TO A STAGING AREA
UNDER A PUBLIC WALK WAY. THIS WAS ONE
OF ~~THE~~ THREE STAGING AREAS. THE FIRST
"PUBLIC WALK WAY UNDER COVER" THE SECOND IN THE "FOYAY
AREA" AND THE ~~THE~~ THIRD IN ANOTHER AREA IN THE
FOYAY.

WE WAS THEN TASKED TO GO TO THE 9TH FLOOR
TO CONDUCT SEARCH AND RESCUE.

AS A TEAM OF FOUR WE MADE OUR WAY UP THE INTERNAL
STAIR CASE. THE VISIBILITY WAS POOR.

ONE BARRY ATRICK CASUALTY WAS PASSED ON THE 8TH?

BUT I AM ~~NOT~~ 100% SURE AS THE FLOORS
WERE NOT VISUALLY NUMBERED.

DUE TO THIS WE WAS AT THE 11TH FLOOR WHERE
WE CARRIED OUT THREE ~~RESCUE~~ RESCUES OF 1X ADULT
FEMALE, 1X ADULT MALE, 1X INFANT.

②

AND I GO THEM DOWN ONE FLOOR WHERE THEY
NEARLY PASSED ON TO ANOTHER TEAM.
WE THEN MADE OUR WAY BACK TO THE 9TH
TO CARRY OUT SEARCH AND RESCUE AS PER OUR
ORIGINAL BRIEF.

ON DOING SO THERE WAS NO ONE
COVERING OUR EXIT ~~AS~~ AS WE WERE TOLD THERE
WOULD BE.

WE STARTED SEARCH AND RESCUE BUT CONDITIONS
WERE TOO HOT AND THERE WAS VISIBILE
FIRE.

AS WE HAD KNOWN WATER AND NO EXIT
COVERED WE MADE OUR WAY OUT.
