INCIDENT ADDRESS FLAT 16 GRENFELL TOWER
LANCASTER WEST ESTATE
W11 1TQ

NAME PARVINDER SINGH.

RED WARR BETHNAL GREEN, I HAVE BEEN AT
BETHNAL GREEN SINCE 1994, I AM COMING UP TO JOYAS.
IN THE FIRE SERVICE.

I DIDN'T HAVE ANY PREVIOUS KNOWLEDGE OF THIS
PREMISES.

I WAS RESTING, AT A30 ISLINGTON AS I WAS A
DIRECT STAND BY.

I WAS RIDING THE FRU A306 ISLINGTON.

~~FAST DOWN~~ WE APPROACHED ON THE A30 FROM
OUR APPLIANCE WAS PARKED ON BRAMLEY ROAD SOUTHBOUND
IT REMAINED THERE FOR THE WHOLE DURATION.

WHEN WE ~~ARR~~ ARRIVED ON THE SCENE IT WAS MAYHEM,
IT SEEMED THE WHOLE ESTATE WAS ABLAZE.

~~WE COULD SEE~~

~~HE~~ WHEN WE ARRIVED WE WERE ASKED TO LEAVE EDDA.
WE WERE ESCORTED BY THE POLICE, THEY USED THEIR RIOT
SHIELDS TO PROTECT US FROM THE FALLING DEBRIS, INTO THE
FOYER.

AS WE ARRIVED RESIDENTS WERE BEING EVACUATED OUT OF
THE BUILDING AND SOME WERE CARRIED OUT BY FIREFIGHTERS
WE REPORTED TO THE BRIDGEHEAD WHICH WAS ON THE GROUND
FLOOR.

~~BY~~ THEY REQUIRED FOUR PEOPLE IN EDDA. IN OUR FOUR
WAS FF CRAIG EDWARDS, FF PAUL HOLLAND, FF ANTHONY WELDEN

AND MYSELF. THEY GAVE US A BRIEF TO SEARCH AND RESCUE THE 11TH FLOOR FLATS 81, 82, 83, 84 AND THEY GAVE US THE CALL SIGN OF DETONAL GREEN 3.

WE TOOK UP NO FIREFIGHTING EXTINGUISH MEDIUM. WE TOOK UP A LARGE AXE, CROW BAR & A THERMAL IMAGE CAMERA

AS WE MADE UP OUR WAY THROUGH THE INTERNAL STAIRCASE, ON THE STAIRS WAS SOME CHARGED MOIE AND SOME UNCHARGED MOIE. AS WE GOT UP TO THE 10TH OR 11TH FLOOR WE PASSED A BODY, WE CHECKED IT SIGNS OF LIFE AND FOUND THAT HE WASN'T BREATHING. WE MADE OUR WAY UP WHICH WE THOUGHT WAS THE 11TH FLOOR BUT ENDED UP ON THE ~~11TH~~ TWELFTH FLOOR AS THE VISIBILITY WAS REALLY BAD. THERE WAS ANOTHER CALL ALREADY THERE, WE ASSISTED TO HELP THEM ~~HE GOT IN~~ ~~FLAT 96~~, TO GET IN THE FLAT, WE CALLED OUT TO SEE IF ANYONE WAS IN THEM, WE WENT INTO A FEW, BUT COULDN'T SEARCH THE WHOLE OF THE FLAT AS IT WAS GETTING EXTREMELY HOT. WE THEN DECIDED TO GO TO FLOOR 11. WE COULD NOT GET ONTO THE CORRIDOR OF ~~FLAT~~ FLOOR 11 AS IT WAS EXTREMELY HOT AND THE VISIBILITY WAS NIL.

THEN AS WE DESCENDED THE STAIRS WE HELPED A CREW TO DRAG & CARRY MOIE SO IT REACHED TO THE 10TH FLOOR.

WE THEN MADE OUR WAY DOWN AS I WAS ON JUST ABOUT 110 BAR PRESSURE.

WE MADE OUR WAY DOWN TO THE BRIDLEHEAD AND EXPLAINED TO THE E.C.O. OF OUR ACTIONS.

WE WERE ESCORTED BY ~~HOT SHIELDS~~ FIREFIGHTERS USING RIGT SHIELDS.

WHEN WE GOT TO A SAFE AREA, A PARAMEDIC NOTICED THAT I WAS PALB, SO HE ADMINISTERED OXYGEN, THEN THEY DECIDED TO CHECK MY BLOOD PRESSURE AND HEART RATE TO WHICH I WAS ALL CLEAR
