2								Response to Public Inquiry Request for Informatic	
3									
4		This is a list of every fire fighter that attended Grenfell Tower during the course of the fire and the immediate aftermath, which watch/crew they belong to, the fire station where they are							
5		based and their rank. This information has been taken and collated from an existing spreadsheet which consists of information taken from the Incident Management System (IMS) and the							
6		Staff Attendance Rota System (StARS).							
7									
8		It is important to note that this is based on information gathered and collated at the very initial stages of the investigation. This is subject to change through the ongoing investigation and							
9		any further persons identified will be highlighted.
