Tick if witness evidence is visually recorded ☐ (supply witness details on rear)

On Thursday 7th December 2017 I was working as a part of Operation Northleigh, the investigation of the fire at Grenfell Tower. I used copies of exhibits BF/1 and NS/1, which are video recordings from NPAS helicopters, to create Eighteen (18) screenshots. These screenshots are of the fire at Grenfell Tower at various times between 01:41 to 06:06 on the 14th June 2017. The screenshots are a mix from the day camera and infrared camera images. I burnt a disc containing these 18 screenshots on 12th December 2017 which I present as my exhibit RGM/230, sealed in evidence bag MPSB23097673. A working copy of RGM/230 was also been created. I then place there exhibits into secure storage.
