I am providing this statement in response to a request from the Grenfell Tower Inquiry. On the 13th June 2017 Commander Neil JEROME was the on call chief officer for London. At this time I was Commander JEROME's staff officer. During his involvement in the incident, Commander JEROME maintained an incident management log. I also kept an incident management log at this time, the contents of which reflected Commander JEROME's log as well as the key points and actions recorded during the minuted strategic coordinating group meetings which were administered by the London Resilience Partnership. I have been asked to provide my log to the inquiry. I have been unable to locate my log. I have searched our filing cabinets and lockers but have been unable to locate it
