

<p>1 Tuesday, 25 July 2017</p> <p>2 GRENFELL TOWER INQUIRY</p> <p>3 CONSULTATION ON TERMS OF REFERENCE</p> <p>4 (6.31 pm)</p> <p>5 SIR MARTIN MOORE-BICK: Good evening, ladies and gentlemen.</p> <p>6 Welcome this evening. My name, in case you didn't</p> <p>7 know, is Martin Moore-Bick. I'm the Chair of the Public</p> <p>8 Inquiry into the fire at Grenfell Tower, and I'd like to</p> <p>9 begin by welcoming you all to this meeting.</p> <p>10 I think, as a mark of respect for those who died, it</p> <p>11 would be a good gesture if we would all observe</p> <p>12 a minute's silence in their memory. So would you join</p> <p>13 me, please, by standing for a minute's silence in memory</p> <p>14 of those who died in the tower.</p> <p>15 (A minute's silence was observed)</p> <p>16 SIR MARTIN MOORE-BICK: Thank you all very much.</p> <p>17 Now, the people you can see sitting on either side</p> <p>18 of me are various members of the inquiry team, and I use</p> <p>19 the word "team" because they are going to explain to you</p> <p>20 in a minute what their role is and what they are going</p> <p>21 to be doing in respect of the inquiry.</p> <p>22 I am going to start with this gentleman, who is</p> <p>23 Mark Fisher, and he will tell you what his role is.</p> <p>24 MARK FISHER: Good evening, everybody. My name is</p> <p>25 Mark Fisher, I'm the secretary to the inquiry, so my job</p> <p>Page 1</p>	<p>1 pain and hurt in this community.</p> <p>2 My particular role as junior counsel will be to work</p> <p>3 with Bernard here. We're both criminal defence</p> <p>4 practitioners, and we're really interested in building</p> <p>5 relationships with the community, with all of the people</p> <p>6 that have been affected, and really listening and</p> <p>7 getting your voices as part of this process to make it</p> <p>8 a truly meaningful one. So I really look forward to</p> <p>9 speaking to as many of you as possible.</p> <p>10 BERNARD RICHMOND: Hi, my name is Bernard Richmond. I'm</p> <p>11 a criminal defence lawyer, inquest lawyer and also</p> <p>12 assistant coroner at Westminster, so I know Fiona Wilcox</p> <p>13 very well. My job, with Zeenat, is to really focus on</p> <p>14 the evidence that is going to come forward from</p> <p>15 residents, from survivors, from anyone affected by this</p> <p>16 horrible episode.</p> <p>17 We are responsible for making sure that, however it</p> <p>18 happens, everybody's voice is in some way heard. We'll</p> <p>19 be working with any lawyers who represent families and</p> <p>20 the like, but we'll be running lots of sessions where we</p> <p>21 get you to, please, if you want to come and see us, talk</p> <p>22 to us, ask any questions you want. But our focus is</p> <p>23 about making sure that you have your voice heard in this</p> <p>24 process, and that's our specialism. I work mostly with</p> <p>25 people who are vulnerable and who need support in the</p> <p>Page 3</p>
<p>1 is to help Sir Martin make sure the inquiry runs as</p> <p>2 quickly and as smoothly as possible.</p> <p>3 Thank you.</p> <p>4 SIR MARTIN MOORE-BICK: The gentleman on my left is Richard</p> <p>5 Millett, he will explain what he is going to do.</p> <p>6 RICHARD MILLETT: Thank you very much. My name is</p> <p>7 Richard Millett. I am lead counsel to the inquiry. My</p> <p>8 role is to adduce the evidence, organise the evidence,</p> <p>9 get to the bottom of the evidence in a way that is</p> <p>10 clear, thorough, robust and rigorous, and present it all</p> <p>11 in front of the chairman for him to make his decisions.</p> <p>12 I am aided by my team who sits on my left and they will</p> <p>13 explain their individual roles.</p> <p>14 KATE GRANGE: Hi, I am Kate Grange, I'm a barrister.</p> <p>15 I specialise in construction law but I have also advised</p> <p>16 a number of public inquiries in the past, so I bring</p> <p>17 both construction experience and Public Inquiry</p> <p>18 experience to this task. I'm here as one of the counsel</p> <p>19 who is going to assist in presenting the evidence,</p> <p>20 gathering the evidence, as with Richard.</p> <p>21 ZEENAT ISLAM: Hi everyone. My name is Zeenat, I am junior</p> <p>22 counsel to the inquiry. I just wanted to say before</p> <p>23 I explain what my role is going to be how sorry I am</p> <p>24 that we are even having to be here and have this</p> <p>25 meeting, and that we recognise that there is a lot of</p> <p>Page 2</p>	<p>1 legal system, so that's what I bring to this particular</p> <p>2 enterprise.</p> <p>3 Thank you.</p> <p>4 SIR MARTIN MOORE-BICK: Well, thank you very much.</p> <p>5 Now, as you know, this meeting has been arranged to</p> <p>6 give you an opportunity to tell us what questions you</p> <p>7 think the inquiry ought to answer. But before we go any</p> <p>8 further, can I just mention this: not everybody likes to</p> <p>9 get up in a public meeting and speak their piece. There</p> <p>10 are other ways in which you can make your voices heard.</p> <p>11 You can send us an e-mail to the address --</p> <p>12 FROM THE FLOOR: Excuse me, you see, you're talking about</p> <p>13 e-mails here. This is not the time for people's e-mails</p> <p>14 to be sent, it's a time for the people to let their</p> <p>15 feelings go and you can hear what they're saying and see</p> <p>16 their faces, feel their hearts.</p> <p>17 FROM THE FLOOR: We will, we will.</p> <p>18 SIR MARTIN MOORE-BICK: That's exactly why we're here, but</p> <p>19 if there are people who want to say things in other</p> <p>20 ways, we want to make sure they can, and that's why</p> <p>21 we've got an e-mail address and I think there's going to</p> <p>22 be a box here later on in which you can leave messages</p> <p>23 in.</p> <p>24 FROM THE FLOOR: I have a question.</p> <p>25 SIR MARTIN MOORE-BICK: Can you let me just get through this</p> <p>Page 4</p>

1 first and then I'll certainly give you a chance to have  
 2 your say. All right?  
 3 FROM THE FLOOR: Can I just clarify, is that photographer  
 4 supposed to be here at the back? He hasn't got any ID.  
 5 I spoke to him outside.  
 6 SIR MARTIN MOORE-BICK: I haven't excluded anyone from this  
 7 meeting and I am not sure it's right to try and do so.  
 8 FROM THE FLOOR: He should at least ask for everyone's  
 9 permission.  
 10 SIR MARTIN MOORE-BICK: All right. Do you want to --  
 11 FROM THE FLOOR: Are you going to get a release form from  
 12 everyone in the room?  
 13 SIR MARTIN MOORE-BICK: Can you just give me a moment? It's  
 14 not going to work if everyone tries to speak at once.  
 15 We've got roving microphones so you can have a say and  
 16 be heard, but you need to allow the person with the  
 17 microphone to have his or her say uninterrupted.  
 18 Now, you are here to tell us what you think the  
 19 inquiry ought to deal with. I just want to explain to  
 20 you so that you understand exactly what we mean when we  
 21 talk about terms of reference. The terms of reference  
 22 for the inquiry are the inquiry's instructions. They  
 23 tell it what matters to examine and report on and  
 24 whether to make recommendations. The purpose of the  
 25 inquiry is to find out exactly what happened at

Page 5

1 Grenfell Tower.  
 2 FROM THE FLOOR: We know what happened.  
 3 SIR MARTIN MOORE-BICK: Well, we don't know how it happened.  
 4 FROM THE FLOOR: We do.  
 5 SIR MARTIN MOORE-BICK: Well, you may think you do, but we  
 6 need to have a proper investigation.  
 7 Anyway, I will come to you later on. If you would  
 8 like to tell us, you tell us, but that's all right. And  
 9 we need to find out as quickly as we can about that to  
 10 determine, you know, how it got to the whole of the  
 11 building.  
 12 FROM THE FLOOR: We do know. We know. No more flab.  
 13 FROM THE FLOOR: Hang on, let the man speak.  
 14 FROM THE FLOOR: We're fed up of flab.  
 15 FROM THE FLOOR: Let the man speak.  
 16 FROM THE FLOOR: It's a cover-up. You stop it.  
 17 SIR MARTIN MOORE-BICK: At the moment --  
 18 FROM THE FLOOR: We know.  
 19 FROM THE FLOOR: Excuse me, can you let him talk?  
 20 FROM THE FLOOR: Yes, talk sense. No flab. No more flab.  
 21 FROM THE FLOOR: Let's ask him what he's talking about. Can  
 22 you calm down, please?  
 23 SIR MARTIN MOORE-BICK: Let me just explain so that we know  
 24 what we're going to deal with.  
 25 FROM THE FLOOR: Let's not fight amongst each other. We

Page 6

1 know who we need to fight and let's not fight.  
 2 FROM THE FLOOR: No more flab.  
 3 SIR MARTIN MOORE-BICK: What we're going to do is to let  
 4 anyone who wants to speak with the microphone and they  
 5 will then be able to be heard. It would be better if  
 6 you wouldn't shout out like that. It makes it difficult  
 7 for everybody else.  
 8 FROM THE FLOOR: No, I won't. I'm fed up. It's flab. Fed  
 9 up of flab. Six weeks of flab. Get on with it, tell  
 10 the truth.  
 11 SIR MARTIN MOORE-BICK: When I've made my remarks, I'll give  
 12 you the first chance --  
 13 FROM THE FLOOR: Good, thank God.  
 14 SIR MARTIN MOORE-BICK: Maybe if you would do everyone the  
 15 courtesy --  
 16 (Indistinct shouting from the floor)  
 17 SIR MARTIN MOORE-BICK: I can tell you've all had enough of  
 18 me for the time being, so I'm going to --  
 19 FROM THE FLOOR: There's one disruptive person here I have  
 20 mentioned. Can we just ignore that?  
 21 SIR MARTIN MOORE-BICK: I was going to tell you that we are  
 22 clear that we are going to have to investigate the  
 23 design and construction of the building and the  
 24 considerations that were taken in relation to the recent  
 25 refurbishment. We should all be considering --

Page 7

1 FROM THE FLOOR: Did you just say the word "considered"?  
 2 Did you just say it was going to be "considered"?  
 3 SIR MARTIN MOORE-BICK: I'll look into it, if you like.  
 4 FROM THE FLOOR: I think you need to choose your words  
 5 a little bit more careful. We're not here to look at  
 6 considerations, we demand --  
 7 SIR MARTIN MOORE-BICK: I just want add to this: that  
 8 beginning on August 7, we're going to arrange a number  
 9 of drop-in sessions at which you can meet members of the  
 10 inquiry team and talk to them and tell them what you  
 11 want to tell them about the fire and what you think the  
 12 inquiry ought to be doing.  
 13 Now, it's time to listen to what you want to say.  
 14 I'm going to give you roving microphones. Can I just  
 15 ask you to observe a few formalities. One is to put  
 16 your hand up when you want to speak. I will try and  
 17 make sure that everyone who puts his hand up gets  
 18 a chance to speak. Wait until you get the microphone.  
 19 Please give us your name because it makes it much easier  
 20 to read the transcript if we know who we are listening  
 21 to, and do your best to keep it reasonably short. I'm  
 22 not going to cut anyone off.  
 23 FROM THE FLOOR: Your choice of language is important and as  
 24 much as you may not want to debate that, this is  
 25 obviously more important to discuss, the choice of

Page 8

2 (Pages 5 to 8)

1 language is important because to just merely consider it  
 2 isn't enough. It actually has to be investigated. So  
 3 when you're referring to the layout and the formation  
 4 and structure and the knowledge that the security  
 5 personnel as well as the health services and the fire  
 6 services, it's investigated to a degree where you can  
 7 actually find whether someone's lack of action or  
 8 someone's action, as in the advice given, is criminal or  
 9 not, or is it due to a lack of knowledge? All right --  
 10 SIR MARTIN MOORE-BICK: Well --  
 11 FROM THE FLOOR: As far as I'm concerned, I'm aware of some  
 12 of the response services being so clueless on arrival  
 13 that they came up with makeshift fire plans. Literally,  
 14 like, I don't want to divulge into too much detail, but  
 15 to merely say that you are going to "consider" it is  
 16 just a joke. You are going to investigate it. That's  
 17 the difference between an inquiry and an inquest.  
 18 So as much as we're going with what you are saying,  
 19 do not blur the lines of responsibility between the two  
 20 apparatuses that are really going to dictate how far you  
 21 take the investigation with the details, big or small,  
 22 because lots of people died, mate. The language isn't  
 23 debatable, it is --  
 24 SIR MARTIN MOORE-BICK: We're --  
 25 FROM THE FLOOR: Please be very clear when you say things

Page 9

1 like that.  
 2 SIR MARTIN MOORE-BICK: We're talking about the same things  
 3 here. We are going to investigate and find the facts in  
 4 relation to the whole course of events, and we shall do  
 5 that in a way which makes sure we get to the bottom of  
 6 everything and find the facts. All right? So I don't  
 7 think we have any disagreement about that.  
 8 FROM THE FLOOR: Just give us faith in that. Good. All  
 9 right.  
 10 SIR MARTIN MOORE-BICK: That's what we are set up to do and  
 11 that's what we intend to do.  
 12 FROM THE FLOOR: What would be kind is you giving us some  
 13 sort of a deadline, a date, a date where we have some  
 14 answers.  
 15 SIR MARTIN MOORE-BICK: Do you want the microphone?  
 16 FROM THE FLOOR: I want the microphone.  
 17 SIR MARTIN MOORE-BICK: I know you do.  
 18 FROM THE FLOOR: So it would be nice if somebody could come  
 19 up with a date, a deadline, for the investigation or  
 20 whatever researches are your findings. We need answers  
 21 as soon as possible. I think people have waited  
 22 patiently long enough and it's high time we had some  
 23 answers and some progress which is visible.  
 24 SIR MARTIN MOORE-BICK: We shall work as quickly as we can.  
 25 I can't tell you how long it will take because, until we

Page 10

1 start the investigation, we don't know where it will  
 2 lead. But we'll certainly work as quickly as we can.  
 3 FROM THE FLOOR: I've made a note of you guys filming, I am  
 4 going to take your films. There's nothing wrong with  
 5 you filming, but if I see my face on social media,  
 6 you're not leaving with the cameras --  
 7 SIR MARTIN MOORE-BICK: I think we've reached a point at  
 8 which you ought to tell us what you want to tell us.  
 9 Can I ask you to bear in mind the purpose of this is for  
 10 you to tell us what the inquiry should investigate.  
 11 Now, this lady at the front is obviously very keen  
 12 to say something.  
 13 FROM THE FLOOR: I'm very keen. I'm fed up with all the  
 14 lies and cover-up.  
 15 Hello, I'm Sister Ruth, I worked all around the  
 16 world with all faiths and all religions, now I'm working  
 17 here with all faiths and religions, and I've seen the  
 18 dreadful, despicable behaviour of TMO and the Tory  
 19 council. We're going to get them in prison for this,  
 20 because they deliberately caused the fire with illegal,  
 21 flammable, poisoned cyanide and people have died from  
 22 poisoned cyanide, poisoned asbestos and human ashes.  
 23 They knew the whole building would flame up in  
 24 15 minutes. They knew very well it would go to 1,700  
 25 bodies in there would be all ashes, grilled to the

Page 11

1 teeth. The police can't say -- we know there are 400  
 2 people dead. They have notices all over saying they are  
 3 missing; they're not missing, they are dead. And can  
 4 claim £1 million casualty insurance, and that's why they  
 5 did it, to get rid of the black and the poor and bring  
 6 the white people over, the rich, rotten millionaires  
 7 because they stink.  
 8 (...Applause...)  
 9 FROM THE FLOOR: Excuse me.  
 10 Sorry, I'm just interpreting, the question is, the  
 11 first thing you need to do amongst other things is to  
 12 find out exactly how many people died there.  
 13 FROM THE FLOOR: 400.  
 14 FROM THE FLOOR: The other issue is one of the things that  
 15 should be talked about at meetings is to actually cover  
 16 the building now for a number of reasons, one of which  
 17 is that because the area is quite wide, all the windows,  
 18 doors, et cetera, are open, or bent, and what we have  
 19 seen basically is that lot of documents that are already  
 20 not burned will disappear.  
 21 She says when all the documents are disappearing  
 22 then how are you going to find out exactly how many  
 23 people have died there? Because people are burnt. It  
 24 is very, very important to cover that building and make  
 25 sure that some of the documents that people have or

Page 12

3 (Pages 9 to 12)

1 belongings are actually saved.  
 2 FROM THE FLOOR: They lie.  
 3 SIR MARTIN MOORE-BICK: Thank you very much.  
 4 FROM THE FLOOR: She says I only mentioned this to a number  
 5 of councillors at the council meeting but nobody is  
 6 taking any notice. I feel it really is important to  
 7 take note of that.  
 8 SIR MARTIN MOORE-BICK: All right. Thank you very much.  
 9 The lady up by the window would like to speak.  
 10 FROM THE FLOOR: So I just need a little bit of clarity from  
 11 everybody that are dealing with the inquiry. So it was  
 12 on the news that some of the team that you guys will be  
 13 working with are subsidiaries for the same contractors  
 14 that put the cladding on that building. So what I would  
 15 like to know is exactly who you've got advising you guys  
 16 for this inquiry, and I need you guys to be extremely  
 17 honest because we will find out. Who are your advisors?  
 18 So can you just please let us know exactly and everyone  
 19 who would be advising you guys for this inquiry.  
 20 (...Applause...)  
 21 SIR MARTIN MOORE-BICK: We are going to take expert advice.  
 22 It's going to be a very important aspect of choosing the  
 23 experts to make sure they have no connection with any of  
 24 the persons involved or the companies involved in the  
 25 refurbishment.

Page 13

1 FROM THE FLOOR: Can we have the guarantee that there will  
 2 not be any corporation that work on this type of  
 3 cladding, do we have this guarantee?  
 4 SIR MARTIN MOORE-BICK: We can't instruct people who are  
 5 connected.  
 6 FROM THE FLOOR: Is that a guarantee?  
 7 SIR MARTIN MOORE-BICK: Yes.  
 8 The lady ...  
 9 FROM THE FLOOR: Thank you. Good afternoon, everybody.  
 10 I've got four very simple questions, which shouldn't  
 11 give you all too much aggravation to answer. The terms  
 12 of reference include the role of the building  
 13 regulations.  
 14 SIR MARTIN MOORE-BICK: Yes.  
 15 FROM THE FLOOR: Everybody heard that?  
 16 Full examination of how the cladding and the  
 17 insulation was specified.  
 18 SIR MARTIN MOORE-BICK: Yes.  
 19 FROM THE FLOOR: Everybody heard that?  
 20 The role of adding piped gas to a tower block with  
 21 one fire escape.  
 22 SIR MARTIN MOORE-BICK: Yes.  
 23 FROM THE FLOOR: Everybody heard that?  
 24 Last one: the role of works supervision. You  
 25 understand what that means?

Page 14

1 SIR MARTIN MOORE-BICK: Yes and yes.  
 2 FROM THE FLOOR: Everybody heard that?  
 3 Thank you.  
 4 (...Applause...)  
 5 FROM THE FLOOR: Hi. First and foremost I've got to say  
 6 what happened in that building was corporate -- all  
 7 right -- it's manslaughter.  
 8 FROM THE FLOOR: Yes, murder.  
 9 FROM THE FLOOR: And whoever's here who can give answers to  
 10 the people that are suffering now, most of them are  
 11 homeless, a lot of them are just living on handouts and  
 12 it's a crying shame that Theresa May has appointed you.  
 13 I say this because I don't think you're going to do us  
 14 any justice. I'm just watching you here.  
 15 (...Applause...)  
 16 Bring in someone who is real who is going to come  
 17 and investigate this properly. I am from Omega Radio.  
 18 I talk to the people. My heart goes out to everybody.  
 19 I won't stop until there's real justice.  
 20 Furthermore, we need some real lawyers to get  
 21 involved, to take them up for corporate manslaughter.  
 22 FROM THE FLOOR: Murder.  
 23 FROM THE FLOOR: Murder, which is what I said in the  
 24 beginning, but you are going to put it as manslaughter  
 25 anyway, all right? Another thing is, when it comes to

Page 15

1 human rights law, which I know they're trying to change  
 2 now so that people can't get justice, we need justice,  
 3 and we need it fast. And we don't want someone who is  
 4 going to play around for six weeks -- six weeks people  
 5 had to wait for this and you are only looking into it  
 6 now? What are you telling people for? You know, I'd  
 7 better say no more because I might explode.  
 8 (...Applause...)  
 9 FROM THE FLOOR: Good, explode.  
 10 FROM THE FLOOR: I only have one question and this is for  
 11 all of yous that are sitting here. I can talk about  
 12 fire and the cheap cladding that is put up on social  
 13 housing, and you all say that you carry a folder(?) and  
 14 that there's money cuts and you are cutting schools,  
 15 Theresa May and the Tory Government, schools, NHS, hours  
 16 of working.  
 17 I want to ask you one question: how many MPs are  
 18 there in the Conservative government, nearly 300? Yeah?  
 19 SIR MARTIN MOORE-BICK: A few more, I think.  
 20 FROM THE FLOOR: About 300, yes? Each and every one of the  
 21 MPs in the Conservative Government have four bodyguards,  
 22 two in the morning and two in the night. How much money  
 23 does that cost a month? Around 1 million? For the Tory  
 24 Government to keep safe and sound? What about the  
 25 middle class people? If you can afford 1 million for

Page 16

4 (Pages 13 to 16)

<p>1 bodyguards to keep them sleeping, then why can't you do</p> <p>2 the same for bloody social housing?</p> <p>3 (...Applause...)</p> <p>4 FROM THE FLOOR: Okay, so I had a chat with a professor of</p> <p>5 architecture only yesterday, and what he said was about</p> <p>6 this ACP panels, aluminium composite panels, was it</p> <p>7 doesn't really matter what panels you use, we know they</p> <p>8 used a cheaper version and it burnt very quickly. But</p> <p>9 what he said is all of the panels. So forget about</p> <p>10 choosing the more expensive ones for a minute, every</p> <p>11 single aluminium composite panel is unsuitable for</p> <p>12 high-rise buildings.</p> <p>13 FROM THE FLOOR: And illegal.</p> <p>14 FROM THE FLOOR: With that in mind, are you able to</p> <p>15 investigate how aluminium composite panels have been</p> <p>16 approved as safe, and which companies have created the</p> <p>17 standards for this? Because I'm also aware that these</p> <p>18 companies have also lobbied government to make these</p> <p>19 panels safe or approved for use. Can you investigate</p> <p>20 that? These panels shouldn't be used on any building of</p> <p>21 any height. Not only are they used on Grenfell Tower,</p> <p>22 they are used on all kinds of buildings up and down the</p> <p>23 country. I'm talking hospitals, I'm talking schools.</p> <p>24 You've said yourself that the inquiry can't be as</p> <p>25 broad-reaching as we'd like, but why can't it? This has</p> <p style="text-align: center;">Page 17</p>	<p>1 This is not just about housing allocation in</p> <p>2 Kensington and Chelsea. Some of those killed were</p> <p>3 private leaseholders or private tenants. It's about how</p> <p>4 some people end up in worse housing, and then it's about</p> <p>5 how those people are treated as residents, as citizens,</p> <p>6 that they are effectively excluded from the important</p> <p>7 decision and that compounds their disadvantage. That's</p> <p>8 not just a problem in Kensington and Chelsea, but sadly</p> <p>9 there's nothing worse than Kensington and Chelsea.</p> <p>10 Now, why is there a legal issue? Discrimination is</p> <p>11 against the law. We also have laws that protects our</p> <p>12 fundamental rights, the right to life, the right not to</p> <p>13 be subjected to inhuman or degrading treatment, and what</p> <p>14 this tells us and what Grenfell tells us is that some</p> <p>15 people get less protection because of who they are, and</p> <p>16 that some people don't get it because of who they are,</p> <p>17 and those people are on lower income and people from</p> <p>18 black and ethnic minorities. People in inadequate and</p> <p>19 unsafe housing, they're not listened to because of who</p> <p>20 they are, and this leads to tragic consequences.</p> <p>21 So we want the inquiry to look into that, not just</p> <p>22 to find out how people were killed in Grenfell Tower but</p> <p>23 why it was those people who were killed, to see how</p> <p>24 those people's fundamental human rights were violated.</p> <p>25 We want that as part of the terms of references for the</p> <p style="text-align: center;">Page 19</p>
<p>1 implications for everything and everyone. That's what</p> <p>2 you need to investigate.</p> <p>3 SIR MARTIN MOORE-BICK: Can I just reassure you, that's</p> <p>4 certainly what we'll investigate and we'll look into</p> <p>5 that for the reasons we'll indicate.</p> <p>6 At the front.</p> <p>7 FROM THE FLOOR: Hi. I want to be brief, but on 14 June</p> <p>8 I was awoken at 1.05. Since I've spoken to hundreds of</p> <p>9 people. Many people can't be here, so I want to try and</p> <p>10 do them justice. Please forgive me if I'm taking too</p> <p>11 long, but I think this is very important.</p> <p>12 Looking at Grenfell Tower is like peeling back</p> <p>13 layers of the onion. At the surface a range of issues</p> <p>14 about building safety and failure of services to respond</p> <p>15 adequately to an emergency and tragedy. Behind that is</p> <p>16 the history of contempt and neglect that enabled those</p> <p>17 building regulations failures.</p> <p>18 But behind that is the reality of discrimination.</p> <p>19 The process that decides who it is gets burnt to death</p> <p>20 and who sleeps happily in their comfortable homes. Many</p> <p>21 survivors have put their fingers on that underlying</p> <p>22 reality. They were given unsafe housing and the terms</p> <p>23 to make it safe refused or ignored because of who they</p> <p>24 are. They are by and large on modest incomes, black and</p> <p>25 from ethnic minorities or migrants.</p> <p style="text-align: center;">Page 18</p>	<p>1 inquiry.</p> <p>2 (...Applause...)</p> <p>3 And we want the inquiry to have a panel that will</p> <p>4 enable them to do that. It must include people with</p> <p>5 knowledge and experience of dealing with the lives of</p> <p>6 those in public housing, and of discrimination issues</p> <p>7 and human rights violation. Not as counsel, but as part</p> <p>8 of the panel of inquiry.</p> <p>9 We know that there's a wealth of information that</p> <p>10 can tell us about discrimination, but I tell you</p> <p>11 something: a democracy is not judged on how it's</p> <p>12 implemented on behalf of the majority, but how it</p> <p>13 protects minorities like us. How much do I have to earn</p> <p>14 before this Local Authority will listen to me?</p> <p>15 So don't do it for me, don't do it for Kensington,</p> <p>16 for the residents in Kensington and Chelsea, do it for</p> <p>17 our friends, do it for our neighbours who died, do it</p> <p>18 for my daughter's friends, Nur Huda (?).</p> <p>19 (...Applause...)</p> <p>20 Do it for this beautiful girl who was discriminated.</p> <p>21 Tell us that tomorrow, if a disaster strikes, another</p> <p>22 disaster strikes in Kensington, you will not look at my</p> <p>23 background or how much I earn, you will come and save my</p> <p>24 life. I want you to answer that to us.</p> <p>25 (...Applause...)</p> <p style="text-align: center;">Page 20</p>

1 FROM THE FLOOR: First of all, yes, thanks for coming. The  
 2 big concern that lot of locals have about the inquiry is  
 3 its broadness. I mean, I get that doing some 40 or  
 4 50-year investigation into social housing would take far  
 5 too long. Personally I think one should be done but  
 6 I don't think this inquiry is going to be able to do  
 7 that. That's a different question for the government.  
 8 FROM THE FLOOR: I 100 per cent agree with that.  
 9 FROM THE FLOOR: But issue I do have is where sort of the  
 10 investigation will begin. My suggestion would be that  
 11 it begins back in 2010, when the regeneration of the  
 12 tower block was first proposed ...  
 13 (...Applause...)  
 14 ... the sports centre was first proposed and the  
 15 building of Kensington Aldridge Academy and that wholly  
 16 inappropriate site was proposed.  
 17 There were meetings at the time, open meetings with  
 18 Jonathan Bore, who was head of planning and remains head  
 19 of planning at Kensington and Chelsea, and at the time  
 20 we used to have a pathway that ran parallel to the  
 21 Latimer Road tube tracks, the Hammersmith & City line  
 22 tube tracks there. It's called Station Road. That used  
 23 to run from just outside Latimer Road station up to  
 24 Silchester Road here. At the time I said to him, "Well,  
 25 these plans look like they're going to encroach onto

Page 21

1 that path an awful lot", and he went, "No, no, it's  
 2 absolutely guaranteed, it's a right of way, it won't be  
 3 shifted whatsoever."  
 4 So I said, "Can you give us a categorical guarantee  
 5 at this time that you will refuse any retrospective  
 6 planning applications that are made by the Kensington  
 7 Aldridge Academy?" Jonathan Bore in a public meeting --  
 8 so I can call witnesses for this if this is the case --  
 9 said he was unable to do that as that's illegal.  
 10 That's not true, you see, and all that leads me to  
 11 believe is he knew damn well that they were going to  
 12 change those plans, he knew damn well that that path was  
 13 going to disappear and he knew damn well that he better  
 14 not not agree to that at that time. You see, that's why  
 15 the inquiry -- if we're looking at this tower in  
 16 particular, that's why I believe the inquiry has to  
 17 start there.  
 18 Now, since the disaster there have also been  
 19 a number of serious issues in the area. I have had to  
 20 contact the council to get hotel accommodation for  
 21 various people who live in those blocks because they  
 22 have all been messed around. I've had to contact them  
 23 to get the £500 that was promised per household because  
 24 the council suddenly decided they were implementing  
 25 policies whereby if you were a single person you only

Page 22

1 got £260 and various other rules. I've asked for  
 2 written copies of those policies and, when they couldn't  
 3 produce them, I said, "Well, you better give him his  
 4 money then" or "You better give her her money then",  
 5 because if you haven't got it written down in the  
 6 council, it doesn't exist.  
 7 Since then I've asked repeatedly at every single  
 8 Gold Command meeting, could we have written policies on  
 9 what services are and are not available for residents,  
 10 are and are not means tested, and the ways in which they  
 11 can be accessed. We are still waiting for those.  
 12 I attended a Gold Command meeting on Monday morning and  
 13 I raised the fact I personally still haven't got a key  
 14 worker and I know several other people who haven't got  
 15 key workers.  
 16 The Gold Command staff who were there at the time  
 17 said, "Just give us your name and contact details, we'll  
 18 sort one out". The point I immediately made to them is,  
 19 "Can I bring everyone else to this next private Gold  
 20 Command meeting who hasn't got one, are you going to do  
 21 that for all of them?" They obviously balked.  
 22 You see, even at this late stage, it's not what you  
 23 know, it's who you know. I was lucky that I happened to  
 24 be in that meeting.  
 25 That's why I believe that the inquiry has to cover

Page 23

1 the causes going back to when this whole fiasco was  
 2 first announced, that towering inferno was first  
 3 announced, and its re-cladding was proposed in order to  
 4 make it look pretty and gentrified for the local  
 5 neighbours, up until today and tomorrow and ongoing  
 6 because, frankly, Gold Command service has been  
 7 inadequate. At the moment we can't even get hold of  
 8 Barry Quirk because he's taking -- I wouldn't say well  
 9 deserved -- but he's taking a holiday at the moment.  
 10 To follow on from this lady's point, I made several  
 11 FOI requests to the TMO recently because they said to my  
 12 neighbours and I that we can return to the walkway  
 13 blocks, which is, by the way, what the locals call them.  
 14 The only people who call them the "finger blocks" are  
 15 the council - it shows how out of touch they are.  
 16 They said to us from four days after the fire we  
 17 could return there at our own risk. Now, if I decided  
 18 to walk in there on stilts or 12-inch stilettos and  
 19 I fell over, that would be my own risk. If I walk in  
 20 there and that tower collapses, or if I walk in there  
 21 and I'm poisoned by asbestos or cyanide or other types  
 22 of gases or particulates in the air, if there is another  
 23 fire in there and there is no way out because there is  
 24 still no adequate fire exits, those aren't my risks, are  
 25 they? Would you agree, those aren't my risks, because

Page 24

6 (Pages 21 to 24)

<p>1 I have no control over those? Yet they are saying it's</p> <p>2 at our risk.</p> <p>3 So I say can we see the reports you've obviously</p> <p>4 done into (inaudible), into the structural integrity,</p> <p>5 into the water quality, into the gas safety, you know,</p> <p>6 the fire escape safety, you know, what risk assessments</p> <p>7 have you had done by the Royal Institute of Chartered</p> <p>8 Surveyors and whatnot? They said they were treating it</p> <p>9 as a FOI so it will take 10 working days. After 25</p> <p>10 working days they wrote back to me and said, "Actually,</p> <p>11 we're not subject to the FOI Act". This isn't true</p> <p>12 because I was involved in the last time when they tried</p> <p>13 to pull that stunt about three years ago and we took</p> <p>14 them to the Information Commissioners Office, and at the</p> <p>15 time it was said they are subject the FOI Act, because</p> <p>16 they are only working for the council. They might be</p> <p>17 a limited company but they are undertaking a public</p> <p>18 service and are contracted by a public service</p> <p>19 organisation; therefore, they are subject. Yet still</p> <p>20 they pull this stunt now.</p> <p>21 Why are they so unwilling to even give out this</p> <p>22 data?</p> <p>23 FROM THE FLOOR: Criminals.</p> <p>24 FROM THE FLOOR: Precisely. That's only the conclusion that</p> <p>25 can be drawn.</p> <p style="text-align: center;">Page 25</p>	<p>1 FROM THE FLOOR: Would you like to hear what I am saying?</p> <p>2 This is very important for the inquiry.</p> <p>3 FROM THE FLOOR: Let her finish.</p> <p>4 FROM THE FLOOR: This is really important.</p> <p>5 FROM THE FLOOR: Let her talk, let her talk.</p> <p>6 FROM THE FLOOR: It's falling on deaf ears. The reason why</p> <p>7 it is falling on deaf ears -- to take your point, sir,</p> <p>8 earlier -- as far as an inquiry is concerned, I voted</p> <p>9 for the first time, I'm 25, I voted for the first time</p> <p>10 in my constituency. What fuck is a Tory --</p> <p>11 FROM THE FLOOR: Don't swear.</p> <p>12 FROM THE FLOOR: -- doing -- residents of a constituency</p> <p>13 that should be represented by Labour? Because the</p> <p>14 conflict of interest is why --</p> <p>15 (Indistinct shouting from the floor)</p> <p>16 -- everyone else here is talking are the same people</p> <p>17 that didn't vote Labour, yeah? As far as I'm</p> <p>18 concerned --</p> <p>19 (Indistinct shouting from the floor)</p> <p>20 SIR MARTIN MOORE-BICK: As a matter of courtesy to the</p> <p>21 speaker and the ability to hear what she says --</p> <p>22 FROM THE FLOOR: Where are you from?</p> <p>23 FROM THE FLOOR: It doesn't matter where she's from.</p> <p>24 FROM THE FLOOR: Let her speak.</p> <p>25 FROM THE FLOOR: Listen to my points and you can then --</p> <p style="text-align: center;">Page 27</p>
<p>1 That's why I believe the subsequent aftermath and</p> <p>2 the behaviour of staff at the moment needs to be covered</p> <p>3 in your inquiry as well, Sir Martin.</p> <p>4 (...Applause...)</p> <p>5 SIR MARTIN MOORE-BICK: Thank you very much. That's a very</p> <p>6 useful indication.</p> <p>7 FROM THE FLOOR: You're welcome.</p> <p>8 SIR MARTIN MOORE-BICK: Yes, this lady next.</p> <p>9 FROM THE FLOOR: My name is Melanie. Hello, everybody.</p> <p>10 I have a few points and I would very much appreciate it</p> <p>11 if you could take the following points into account for</p> <p>12 the terms of reference, please.</p> <p>13 I would point out that I believe many reports and</p> <p>14 safety exercises were ignored. I would just go through</p> <p>15 a few points.</p> <p>16 Vulnerable people should have been identified in the</p> <p>17 block. For example, there were a higher than average</p> <p>18 number of people whose first language is not English.</p> <p>19 There are people who have special requirements and</p> <p>20 a larger number than usual were in this block. We don't</p> <p>21 know, of course, whether the council had a policy to do</p> <p>22 that. We would like to know --</p> <p>23 FROM THE FLOOR: Excuse me, are you a resident or</p> <p>24 a politician?</p> <p>25 FROM THE FLOOR: Let her speak.</p> <p style="text-align: center;">Page 26</p>	<p>1 FROM THE FLOOR: Stop shouting at Melanie. In the absence</p> <p>2 of the council we stepped in.</p> <p>3 (Indistinct shouting from the floor)</p> <p>4 BERNARD RICHMOND: Could I just say something? Could I just</p> <p>5 say one thing. I'm not going into backgrounds or</p> <p>6 anything else, okay? But I tell you why I'm</p> <p>7 a lawyer: I'm a lawyer because I come from a background</p> <p>8 where people were squashed when they were trying to</p> <p>9 speak, and the way people get squashed is when one</p> <p>10 person who is trying to say something gets drowned out.</p> <p>11 There may be people who you don't want to listen to,</p> <p>12 there may be people who you think shouldn't be here, but</p> <p>13 if one person's voice brings out one shred of evidence</p> <p>14 which makes a difference, that person has done a good</p> <p>15 job.</p> <p>16 (...Applause...)</p> <p>17 I am only involved in this --</p> <p>18 FROM THE FLOOR: They should introduce themselves when they</p> <p>19 start.</p> <p>20 (Indistinct shouting from the floor)</p> <p>21 BERNARD RICHMOND: One of the things that matters, I think,</p> <p>22 which is what I'm trying to do in this process, is to</p> <p>23 listen. But I don't know you people, yeah? I'm --</p> <p>24 FROM THE FLOOR: My name is Mohamed, I've lived here for</p> <p>25 years. Who is she?</p> <p style="text-align: center;">Page 28</p>

1 BERNARD RICHMOND: The point is, Mohamed, maybe this person  
 2 will say one thing which makes a difference. Maybe  
 3 somebody who doesn't want to come to this meeting will  
 4 say one thing that makes a difference.  
 5 I can tell you this from all the things I've been  
 6 involved in: you don't make a difference if you don't  
 7 listen to each other.  
 8 FROM THE FLOOR: We're not here to fight against each other,  
 9 brother, yeah? We're not here to fight against each  
 10 other. We are supposed to be together. Yeah?  
 11 (Indistinct shouting from the floor)  
 12 BERNARD RICHMOND: This is a listening exercise and that's  
 13 why we're here.  
 14 I think all of the people who can't speak for  
 15 themselves anymore, the only way their voices can be  
 16 heard is if everybody else who has a voice makes  
 17 themselves heard. So I want to hear those voices and  
 18 I would be really grateful if you could all just do  
 19 that. Thank you.  
 20 (...Applause...)  
 21 FROM THE FLOOR: Thank you. I'll try and be as quick as  
 22 I can.  
 23 I am sorry if my face doesn't fit, you know? I've  
 24 been here a long time as well.  
 25 Right, I'm talking about the different reports that

Page 29

1 have been completely ignored, the humanitarian response,  
 2 the relief response. London humanitarian assistance  
 3 plan, was that followed? I think not.  
 4 The London risk register. On page 5, we're supposed  
 5 to list all of London's risks and threats with  
 6 buildings. There has been so much that has been done  
 7 and yet ignored. So much, so many reports. Of course  
 8 I'll hand in anything I know and I'm sure everyone else  
 9 will as well.  
 10 So what I'd like to know, having been here with  
 11 everyone else before and since this atrocity has  
 12 happened, why was the response so terrible in every  
 13 aspect? And it still is. It's not got any better.  
 14 FROM THE FLOOR: Shut up!  
 15 FROM THE FLOOR: Sorry, the fire brigade were there --  
 16 FROM THE FLOOR: I'm not talking about the fire brigade, I'm  
 17 talking about the different councils and structure and  
 18 disaster relief.  
 19 FROM THE FLOOR: Did you hear a thud? Did you hear a thud?  
 20 FROM THE FLOOR: Shut up, stop swearing.  
 21 FROM THE FLOOR: So I would say what has been qualified is  
 22 that an entire community, made up of many different  
 23 types of people, whether we like it or not, and would  
 24 like to live together in peace, has suffered -- so it  
 25 has been an atrocity, there has been little effective

Page 30

1 response, and as a citizen of humanity, I personally  
 2 have no confidence at all if there is any type of  
 3 large-scale incident in the United Kingdom having  
 4 witnessed this. The community engagement has been very  
 5 poor as well.  
 6 So I would like to ask about as well -- oh, the last  
 7 meeting you spoke about the building, how far back you  
 8 should look. I think someone else mentioned that.  
 9 I would suggest you go back to when the tower itself was  
 10 planned and built, so in the early 1970s, you know?  
 11 I would go all the way back from there, seek out all the  
 12 information you can, and actually the lady was right;  
 13 we've all heard that evidence is being shredded.  
 14 Okay, testing. Has a large section of the building  
 15 been cut away and tested, a large enough section to let  
 16 us know what has happened? Has there been a replica  
 17 built to replicate the conditions? Do we have an idea?  
 18 Has that been done yet? Okay?  
 19 I would like to say that quite a few of us have  
 20 picked up pieces of burnt cladding, outer-layering, and  
 21 (inaudible) cladding. They are still all around the  
 22 area. I picked those pieces up a couple of days ago in  
 23 order to have something for independent testing if it's  
 24 needed.  
 25 There also was what appeared to be human hair and

Page 31

1 ashes. It is horrible. This is --  
 2 FROM THE FLOOR: Melanie, I will defend you any time but  
 3 this is for the residents to speak at.  
 4 FROM THE FLOOR: This a democracy.  
 5 FROM THE FLOOR: Just let her speak.  
 6 FROM THE FLOOR: Excuse me --  
 7 FROM THE FLOOR: Shut up, shut up.  
 8 FROM THE FLOOR: With regards to the right to remain --  
 9 (The speaker's microphone was cut off)  
 10 -- I would also like to ask about finance.  
 11 FROM THE FLOOR: Thank you.  
 12 (Shakes the hands of the panel)  
 13 I do cladding. I do cladding. I'm a supervisor.  
 14 The one single question in the whole borough, in the  
 15 whole of the council borough: why was there not a 500 to  
 16 700ml firestop around each unit? Cladding, fine; but  
 17 why was there not a 5 to 700ml firestop? I was there at  
 18 the bottom when I heard "thump", another body, "thump",  
 19 another body.  
 20 No one can tell me, no one can tell me what I saw.  
 21 Anyway, thank you for your help. I know you are trying  
 22 to help. You've walked into a shit storm but you've got  
 23 to review all the evidence for 20 years before you can  
 24 answer us. You can't have a go at these people.  
 25 They've got to go through 20 years of shit.

Page 32

8 (Pages 29 to 32)

<p>1 FROM THE FLOOR: Don't swear.</p> <p>2 SIR MARTIN MOORE-BICK: Thank you very much.</p> <p>3 The lady at the back.</p> <p>4 FROM THE FLOOR: Hi there. I think one of the reasons why</p> <p>5 there's so much distress and discord is because</p> <p>6 I personally, for whatever reason, don't have much</p> <p>7 confidence in you. I'm sorry, I don't know enough about</p> <p>8 you, you haven't sold yourselves to me as to inject</p> <p>9 confidence of the fact that you are going to actually</p> <p>10 hear the voices, and I know there's a lot of noise, but</p> <p>11 actually really listen and hear the voices of this</p> <p>12 community. And I agree with what everyone's said about</p> <p>13 the extent of the actual inquiry, the remit, that has to</p> <p>14 go much further back. I think all of us agree with</p> <p>15 that.</p> <p>16 I think one of the things I would like to ask you</p> <p>17 that would actually inject confidence in us as</p> <p>18 a community and you as a panel is if you look at the</p> <p>19 diversity of this community, you look at us. Where is</p> <p>20 that reflected in you? We need to build confidence in</p> <p>21 this inquiry and that will only happen if you have</p> <p>22 advisors, and that means advisors that know and</p> <p>23 understand our community. So we need those advisors on</p> <p>24 your panel or there will be no confidence in you and</p> <p>25 continuing these shouting matches. Can you please</p> <p>Page 33</p>	<p>1 FROM THE FLOOR: Can I ask a question, please?</p> <p>2 FROM THE FLOOR: I have just a couple of sentences to say.</p> <p>3 I'll be very brief. My name is Marie Henderson (?) and</p> <p>4 I don't live here but I am very local. I have heard</p> <p>5 a lot, particularly from Eddie, that the Grenfell Action</p> <p>6 Group was systematically ignored by the council when</p> <p>7 they raised the very issues that are under debate here</p> <p>8 today. And they were also threatened with litigation if</p> <p>9 they didn't withdraw what they said.</p> <p>10 Now, I, as a nearby resident, have a little file to</p> <p>11 give to you about a completely different subject. We've</p> <p>12 been ignored for over a decade and we have been</p> <p>13 threatened with criminal prosecution for raising</p> <p>14 an issue with the council of the misspending of public</p> <p>15 money. That's all I have to say.</p> <p>16 (...Applause...)</p> <p>17 FROM THE FLOOR: Thank you. My name is Justine Jones. I am</p> <p>18 following up from what that lady said. I endorse so</p> <p>19 much that's been said already.</p> <p>20 I'm not a resident of the Lancaster West Estate but</p> <p>21 I'm a local resident, and this is a Public Inquiry and</p> <p>22 I think it's really important to acknowledge that the</p> <p>23 issues that have been raised by the Grenfell fire affect</p> <p>24 everybody and that's why it's important that everybody</p> <p>25 has a voice. So, you know, I embody a lot of different</p> <p>Page 35</p>
<p>1 suggest who you are going to put on the panel to</p> <p>2 actually inject trust and confidence?</p> <p>3 (...Applause...)</p> <p>4 FROM THE FLOOR: Could I just ask one question? It's not</p> <p>5 a matter of whether people trust you or not, I think my</p> <p>6 problem is: can we trust the legal system? Can we trust</p> <p>7 the justice system? Are you going to actually give us</p> <p>8 the justice that people need? That's all I have.</p> <p>9 SIR MARTIN MOORE-BICK: Well, all I can I say to that</p> <p>10 is: give us a chance. We're determined to get to the</p> <p>11 bottom of this and we intend to do that.</p> <p>12 FROM THE FLOOR: The justice system is just like the</p> <p>13 building regs.</p> <p>14 FROM THE FLOOR: Right, in 2009 there was the Lakanal House</p> <p>15 fire. There was an inquest into that. I want to know</p> <p>16 why the recommendations from that inquest was not taken</p> <p>17 on by Kensington and Chelsea when they started their</p> <p>18 programme of works here. How do we know the same</p> <p>19 wouldn't happen with your inquiry?</p> <p>20 SIR MARTIN MOORE-BICK: Well, we will be looking at, amongst</p> <p>21 other things, the recommendations from the Lakanal House</p> <p>22 fire and we will be asking that question. What happens</p> <p>23 as a result of our report is not in my hands, I'm</p> <p>24 afraid, is it? We'll certainly look at the points you</p> <p>25 have raised.</p> <p>Page 34</p>	<p>1 points of view of people that have been -- you know, the</p> <p>2 way that people have been affected by this fire.</p> <p>3 As a volunteer after the event, I saw firsthand the</p> <p>4 complete chaos and confusion that reigned, the lack of</p> <p>5 any kind of plan to deal with a major incident, and this</p> <p>6 is in a time where, you know, we're supposed to be all</p> <p>7 living in fear of major terrorist attacks and this and</p> <p>8 that and the other. We need to understand the lack of</p> <p>9 coordination, the lack of communication, the lack of any</p> <p>10 kind of planning for an incident of this type and make</p> <p>11 sure that that doesn't happen again.</p> <p>12 As a TMO resident, I would endorse everything that's</p> <p>13 been said. My experience of the TMO is that it's wider</p> <p>14 than Grenfell Tower. There is a culture of neglect, of</p> <p>15 disrespect.</p> <p>16 (...Applause...)</p> <p>17 I mean, it's simple. In the building where I live</p> <p>18 we've been dealing with problems with mains electricity,</p> <p>19 power surges, blowouts, with smoke and explosions, gas</p> <p>20 mains failures, gas pipes on the outside of the</p> <p>21 building, and what I am starting to believe is that</p> <p>22 a deliberate policy of allowing the buildings to</p> <p>23 dilapidate -- (...Applause...) -- safe for the</p> <p>24 generations. So that's as a TMO resident.</p> <p>25 I'm also concerned as a council taxpayer in</p> <p>Page 36</p>

<p>1 Kensington and Chelsea that the council have mismanaged 2 our own housing stock that we own, not them, that 3 there's an issue with -- if the council are found to 4 have been negligent by using this cladding, is their 5 insurance invalidated? Who pays for the loss of this 6 massive housing estate? Do we, the council taxpayers of 7 Kensington and Chelsea, have to pay for it? That's 8 a big question I would like answered. 9 As a UK resident, I would like to know how our 10 government has contributed to the degradation of our 11 building standards and our fire safety standards and the 12 cutting of our fire services, and the oversight of those 13 regulations. 14 And then as a human being I would like to also know 15 how our society has evolved to such a horrible, sorry 16 point whereby it's okay to spend £8.5 million pounds on 17 making a building look better from the outside and do 18 nothing to improve the safety, security and well-being 19 on the inside. That is just acceptable until, you know, 20 people pay with their lives. That's a wider cultural 21 and societal issue that I think should also be part of 22 the terms of reference. 23 So I think the terms of reference for this inquiry 24 need to look at how this disaster has affected all of us 25 at every level.</p> <p style="text-align: right;">Page 37</p>	<p>1 places, all sorts of fire doors that weren't right and 2 many, many other things, so much so that Camden decided 3 to actually evacuate those premises. 4 I just want to say, you know, people have raised 5 some really important issues here and this isn't just 6 an issue for Grenfell because it's now coming out all 7 over the country. There are tower blocks -- there must 8 be people every night terrified to go sleep living in 9 these tower blocks. What I have to say about this 10 inquiry -- no disrespect to you people, I'm sure you are 11 all well-meaning people -- but this inquiry is being 12 called by the Tory government by the same system which 13 created this situation. 14 If we want justice, we have to have our own inquiry, 15 an inquiry that will actually uncover the truth and say 16 what is going on in this country. 17 (...Applause...) 18 FROM THE FLOOR: Can you identify to me which of you is the 19 judge, please? I want to address the judge with 20 a question. 21 SIR MARTIN MOORE-BICK: Me. 22 FROM THE FLOOR: Okay. Can you tell me: has any human being 23 in the ten years that we've had Corporate Manslaughter 24 and Homicide Act 2007 ever been put in prison as 25 a result of any crime under that Act? Do you even</p> <p style="text-align: right;">Page 39</p>
<p>1 Thank you. 2 (...Applause...) 3 FROM THE FLOOR: Hi. I am a teacher just up the road, but 4 I am actually speaking on behalf of my friend Hanna, who 5 was on the 9th floor, who luckily managed to get out, 6 but lost her brother's family on the 21st floor. 7 She has asked me to raise some questions. One of 8 the questions is about the safety checks. What safety 9 checks were completed and where is the documentation? 10 The fact that when there was a refurbishment on the 11 first three floors there were no signs of which way out. 12 There were two ways to go. When she came down the 13 stairs, there were two ways out. There was no sign of 14 which way you were supposed to get out. Luckily she 15 chose the right way out. 16 Why in buildings like these are there no fire 17 drills? And also she wanted to make the point that 18 a few years before the regeneration there was a fire on 19 her floor which was contained. So that happened and, 20 you know, it didn't go any further. 21 I'd also like to say I live in a low-rise block in 22 the same road as the towers in Camden which have just 23 been evacuated because they have -- well, when they went 24 to investigate, they didn't just have the same cladding, 25 but they also had all sorts of gas pipes in all sorts of</p> <p style="text-align: right;">Page 38</p>	<p>1 consider it to be a crime or a statutory offence? 2 That's another question. 3 (...Applause...) 4 Could you please answer my question? 5 I have one more quick question to ask you after 6 that, which is really going to get you on this first 7 one. I like to build up. 8 SIR MARTIN MOORE-BICK: I can see that. The answer is that 9 corporate manslaughter is an offence that can be 10 committed by a company, not a person. 11 A company is regarded as a legal person. Natural 12 persons have been convicted of manslaughter through 13 negligence, certainly. 14 FROM THE FLOOR: Through the common law, which the Corporate 15 Manslaughter Act abolishes, right? 16 SIR MARTIN MOORE-BICK: The Corporate Manslaughter Act deals 17 with an offence of manslaughter by a corporation. 18 FROM THE FLOOR: It says it's -- I've got it here. I've got 19 it here. 20 (Indistinct shouting from the floor) 21 Right, next question. Round 2. 22 Right, I've got it right here. It says in the 23 jurisprudence concerning this Act: 24 "[Obviously] A company cannot be sent to jail, and 25 if a fine is to be paid, this diminishes..."</p> <p style="text-align: right;">Page 40</p>

1 Which is all that's going to result from that Act:  
 2 "...if a fine has to be paid, this diminishes both  
 3 the money available to pay the wages and salaries of all  
 4 the remaining employees ..."  
 5 You are all going to hear something shocking now  
 6 because all they care about is money.  
 7 "... and the profits available to pay all the  
 8 existing shareholders."  
 9 That's all they give a crap about.  
 10 "Thus, the effect of the only available punishment  
 11 [which is a fine] is deflected from the wrongdoer  
 12 personally and distributed among all the innocent  
 13 parties."  
 14 Now, this leads to my next question: who are you  
 15 taking to court? Individuals or a corporate entity,  
 16 a non-living entity that cannot be criminally charged or  
 17 put in prison, and who is going to pay the fine? The  
 18 taxpayer. Because we are going to be made to pick it  
 19 up. That's what it says here. I've been reading, mate.  
 20 FROM THE FLOOR: I want to sign on from what the young man  
 21 said. My Aunt Marjorie Vital died in the fire.  
 22 (Indistinct shouting from the floor)  
 23 If you answer first, can I speak afterwards? Okay.  
 24 SIR MARTIN MOORE-BICK: I'll answer your question if you  
 25 allow me to.

Page 41

1 FROM THE FLOOR: I will allow, you carry on.  
 2 SIR MARTIN MOORE-BICK: A Public Inquiry is not allowed to  
 3 make decisions on criminal responsibility.  
 4 FROM THE FLOOR: I'm asking you did anyone ever go to prison  
 5 under that Act, you didn't answer it.  
 6 SIR MARTIN MOORE-BICK: My understanding is --  
 7 FROM THE FLOOR: You answered a different question.  
 8 SIR MARTIN MOORE-BICK: My understanding --  
 9 (Indistinct shouting from the floor)  
 10 FROM THE PANEL: The panel is there to help you. Listen.  
 11 SIR MARTIN MOORE-BICK: I'll answer the question if you give  
 12 me the chance.  
 13 I think the answer to your question, as far as  
 14 I know, is that there has been no successful  
 15 prosecutions for corporate manslaughter.  
 16 FROM THE FLOOR: Why?  
 17 FROM THE FLOOR: Okay, if I can speak. My Aunt,  
 18 Marjorie Vital, lived on the 16th floor with my cousin  
 19 Ernie Vital. It actually says "missing" on this, which  
 20 I collected from outside, but we know that they were  
 21 murdered. Murdered. Murdered. Murdered. Mass murder  
 22 was committed in Grenfell Tower. Okay? So you or  
 23 anybody in this building to talk about corporate  
 24 manslaughter is an insult. To every single person and  
 25 his intelligence. Okay? This is what I'm going to

Page 42

1 start with. Okay?  
 2 Now, two days before Grenfell I warned people  
 3 because I'm aware of the back story, like many people  
 4 are aware of the back story. It's not just KC TMO or  
 5 Royal Borough of Kensington and Chelsea, we're talking  
 6 about an international crime, okay? A crime syndicate,  
 7 a Satanic crime syndicate. Okay? We'll tell the real  
 8 story here today.  
 9 Two days before, and the brother here is a witness,  
 10 I wrote to Tony Farrell, who is an intelligence analyst;  
 11 I wrote to a Judge Alfred Webre, who is fully aware of  
 12 this, which is referred to as "SevenGate", some people  
 13 in here refer to it as "Illuminati". Zionists, okay?  
 14 Let's tell the real story, okay? Right now, with this  
 15 situation this was not gentrification, this was  
 16 depopulation as stipulated in agenda 21 of the  
 17 (inaudible). Okay?  
 18 Okay. I'm talking to you respectfully, but  
 19 respectfully you have a conflict of interest in this  
 20 case. Under law, it should be a jury of our peers.  
 21 Right? Under law. I don't want to be rude to you  
 22 because you've done nothing personally to me, but there  
 23 is a crime ring that has been committing atrocities that  
 24 we are fully aware of. Anybody who wants to know what  
 25 is really going on, go to Soulutionaries Media Network

Page 43

1 on YouTube and you can see videos about the truth.  
 2 Grenfell Tower was planned. It was premeditated.  
 3 Okay? Three months before Grenfell was perpetrated --  
 4 come on to my YouTube channel, I'll show you evidence --  
 5 let me tell you, let me tell you the truth. My aunt --  
 6 listen, you have no idea of the filth and the stench of  
 7 this evil that was perpetrated upon innocent people.  
 8 Okay?  
 9 Three months before the insurance company for  
 10 Grenfell building was Zurich. Okay? Three months  
 11 before the Grenfell fire it was changed to protect  
 12 specifically to include human casualties. Okay? That  
 13 is a fact. Right. Now, if you go on to my YouTube  
 14 channel, I will show you. Okay? This was the biggest  
 15 act of terror, inside job, that has ever been committed  
 16 on innocent people. Okay?  
 17 So I just tell you this: we have done our own Public  
 18 Inquiry and we gathered masses of evidence. From all  
 19 around the world, people have been gathering evidence.  
 20 It took us 48 hours to get the real story. Okay?  
 21 Everybody on this panel, I've watched -- at the time  
 22 I was in hiding because they tried to murder me.  
 23 They've tried to burn down my building where I'm staying  
 24 because I have been exposing this crime ring for the  
 25 last 14 years. I took a case in the Royal Courts of

Page 44

11 (Pages 41 to 44)

1 Justice against the same Satanic terrorist crime ring  
 2 and I won -- listen to what I'm trying to tell you,  
 3 listen --  
 4 (Indistinct shouting from the floor)  
 5 FROM THE FLOOR: Let her finish.  
 6 FROM THE FLOOR: Let me tell you what happened to the judge.  
 7 He's dead. Okay? Let me tell you, my parents are both  
 8 dead. My friends are dead. Now my aunt and my cousin  
 9 is dead in Grenfell Tower. Okay?  
 10 I find it an insult to every single person in this  
 11 room for us to be even discussing anything about  
 12 corporate anything. This was organised crime of the  
 13 highest, most filthy, wicked, evil level ever  
 14 perpetrated on innocent people. Okay? Right?  
 15 (...Applause...)  
 16 I'm sorry, I have been through prejudice and I've  
 17 got a right to be because I have knowledge of what's  
 18 going on. I do not see any one of you -- I don't know  
 19 who you are -- and I want to say this to you  
 20 respectfully, because you've got no right to be  
 21 insulted, but what I want to say to you, because I'm  
 22 about peace, ultimately my game is to shut the crime  
 23 ring down. I have been campaigning to shut the crime  
 24 ring down. If you go on to Alfred Webre, he is a judge  
 25 in the USA, if you go to News Inside Out.com, you will

Page 45

1 see that before Grenfell was perpetrated, I have been  
 2 exposing this crime ring.  
 3 This crime ring perpetrated the 7/7 bombings, the  
 4 shooting of Jean Charles de Menezes, Charlie Hebdo,  
 5 London Bridge, Manchester, all staged with actors.  
 6 Okay? It was a false attack.  
 7 I'm sorry, Mr Moore-Bick --  
 8 (Indistinct shouting from the floor)  
 9 Okay, okay. Well, the thing is, this is -- this is  
 10 what -- I don't really have -- if everybody wants me to  
 11 ask a question, I will ask it, but you have to  
 12 understand. Everybody look up Dark Tower movie.  
 13 FROM THE FLOOR: Conspiracy theories.  
 14 FROM THE FLOOR: This is not conspiracy theories. The main  
 15 character of Dark Tower is called Lord Grenfell. Okay?  
 16 Grenfell Tower was named after somebody called  
 17 Lord Grenfell.  
 18 (Indistinct shouting from the floor)  
 19 FROM THE FLOOR: Everybody has a right to be aired, brother.  
 20 FROM THE FLOOR: You can speak afterwards.  
 21 FROM THE FLOOR: Operation Mockingbird. Operation  
 22 Mockingbird. Operation Tiberius. Operation Tiberius  
 23 exposes that the entire judiciary has been taken over by  
 24 criminals who are using Freemasonry to block  
 25 prosecutions. Operation Investigator. We have our own

Page 46

1 Public Inquiry. We will be serving indictments on the  
 2 perpetrators whose names we all know. Okay? I'm done.  
 3 FROM THE FLOOR: Good evening, I am a volunteer that came  
 4 down to Grenfell on day 5. I grew up in Kensington and  
 5 Chelsea and was educated in Kensington and Chelsea and  
 6 I felt deeply about what I'd seen.  
 7 So a couple of things, I was speaking on behalf of  
 8 some of the families I've been looking after since  
 9 day 5. So my understanding is that the terms of  
 10 reference -- well, first of all, I would acknowledge  
 11 that there are some people here from Grenfell Tower, and  
 12 I think they're really, really brave to come and  
 13 participate. Because it's -- exactly ...  
 14 (...Applause...)  
 15 (Indistinct shouting from the floor)  
 16 FROM THE FLOOR: Can everybody speak one by one, please.  
 17 Please. Come on, please, man. We're not stupid. Let's  
 18 speak one by one. Please. You don't need to shout  
 19 over.  
 20 Greetings, family. We are family, right? All  
 21 right. Let's not use these divide and rule tactics to  
 22 divide our community. Please. Yes? They've already  
 23 stated, yeah? You already stated, is this not a fact?  
 24 One voice, please. Yes? Every time we show them our  
 25 unity, that's what the power is in. Do you understand?

Page 47

1 The power is in the voice.  
 2 All right. You state already that we're probably  
 3 not going to be satisfied with the terms of reference.  
 4 So you've already decided. It's a bit like how property  
 5 developers and trusts decide what plans they're going to  
 6 make and then consult us with what they've already  
 7 decided they are going to do. So in that sense all  
 8 these meetings that's been held, it's just causing  
 9 consternation amongst us. We need to come together in  
 10 peace, love and unity as a community, without these  
 11 cameras here, without infiltrators in our community  
 12 here. Yes? As a community, those of us that know each  
 13 other -- and I'm not saying other people aren't welcome,  
 14 I'm saying that you've got to be about justice. You've  
 15 got to be about justice.  
 16 The justice comes in this form: you need to go back  
 17 to the people, whoever sent you, and tell them that we  
 18 don't recognise you as being a representative of our  
 19 community. You may not be the only unrepresentative  
 20 board we've had to shut down in Ladbroke Grove. Know  
 21 that. This is not the first time and probably won't be  
 22 the last. We're going to try and make this one the  
 23 last. Yeah?  
 24 Now look at this, look at this. People like the  
 25 Local Authorities and Gold Command are coming down here

Page 48

12 (Pages 45 to 48)

1 and telling us they want to help us, but you have  
 2 murderers in your house. Now, what kind of people is  
 3 going to have people that they know -- and let's go back  
 4 to that corporate manslaughter thing a moment. RBKC is  
 5 a fixture, yes, but the people, we all know those names  
 6 that are responsible.  
 7 So you can give me a quick answer to this one: is  
 8 David Cameron going to be part of your investigation?  
 9 You can shout out "yes" or "no", you don't need a mic --  
 10 (Indistinct shouting from the floor)  
 11 FROM THE FLOOR: -- so everyone can hear you: is  
 12 David Cameron, the man who started deregulating fire  
 13 safety, going to be part of this investigation? You can  
 14 shout out "yes" or "no".  
 15 SIR MARTIN MOORE-BICK: Deregulation, we shall be looking  
 16 into.  
 17 FROM THE FLOOR: So you are going to be looking into  
 18 David Cameron. I'm not talking RBKC or the Conservative  
 19 party, I'm going to call them names, names, yeah? So we  
 20 want justice, we know who those people are.  
 21 Timothy Coleridge. Robert Black. Rock Feilding-Mellen.  
 22 Yeah? We know what their names are. Paget-Brown. How  
 23 comes you don't know what their names are and how comes  
 24 you haven't put them in jail already? Yeah?  
 25 I tell you why, because what you are putting this

Page 49

1 community through and all of these residents through is  
 2 a disgrace, you know, because how is it that the victims  
 3 of this have to fight for justice? It's an indictment  
 4 of your whole society that you don't hold your own  
 5 people responsible, that you are not disgusted and  
 6 appalled as the rest of the world are, that you go to  
 7 your bosses and you ask them why they're bringing you  
 8 down here to do this work here. Yeah? Why don't you go  
 9 back to whoever sent you, Gold Command, all of them,  
 10 yeah, they're coming down here saying they want to help  
 11 us. You have murderers in your house. Please can you  
 12 tell me what are you going to do about the murderers in  
 13 your house?  
 14 (...Applause...)  
 15 FROM THE FLOOR: You should answer this gentleman's  
 16 question.  
 17 FROM THE FLOOR: Answer the question.  
 18 SIR MARTIN MOORE-BICK: A Public Inquiry is designed to find  
 19 out exactly what happened.  
 20 FROM THE FLOOR: We know.  
 21 FROM THE FLOOR: Let him finish.  
 22 SIR MARTIN MOORE-BICK: I have no power to do anything in  
 23 relation to criminal responsibility.  
 24 FROM THE FLOOR: Sorry, I don't think you went into depth  
 25 with Niles's question and I think you should go into

Page 50

1 depth once I have finished my point.  
 2 I hate going after Niles because I think he hit on  
 3 every single point. I just wanted to say I've been to  
 4 so many funerals in this last few weeks, we've lost so  
 5 many people.  
 6 You are playing with people's emotions because you  
 7 are telling them different things at different times.  
 8 You are going they're alive in a tomb. Then they are  
 9 saying, oh, wait, it was discovered they were able to  
 10 make it halfway down. Then you say, okay, they died.  
 11 Then you say, okay, they're alive. Then you say, oh,  
 12 their body is untouched, unscathed. You need to let  
 13 people know what's going on, when the people died, who  
 14 died and how they died and how many died.  
 15 On top of that we live in a society where it's  
 16 profit over people. Niles mentioned deregulation and  
 17 I think neo-liberalism is a factor to play in that.  
 18 When you have a free market -- I personally don't  
 19 understand the free market because how can you have --  
 20 how can the market be free when the people are still not  
 21 free? That doesn't make sense to me because that goes  
 22 to show that you have a society where it's profit over  
 23 people.  
 24 Deregulation allows for shortcuts and corruption,  
 25 and if you keep having shortcuts and corruption you are

Page 51

1 going to have the lives of people in this community cut  
 2 short. Do you understand?  
 3 On top of that -- I want to finish on a final  
 4 point -- I walked in here -- just an observation --  
 5 I looked at the people sitting down, I looked at the  
 6 panel, I don't believe that we can have justice if  
 7 you're not representative of the people and the victims  
 8 of what happened in Grenfell.  
 9 (...Applause...)  
 10 So what we've got to do, you need to change this,  
 11 re-elect it, make it ethnically and proportionately  
 12 representative to the demographic because I have no  
 13 faith in the justice system. Everything is structurally  
 14 unjust and this is simply a microcosm of the wider  
 15 society. Ethnic minorities are targeted. You need to  
 16 change it and have justice. When you change this, we  
 17 will have justice.  
 18 FROM THE FLOOR: I spoke last week so just a point of  
 19 clarification. People's voices, this is technically on  
 20 public record. The terms of reference. So if I speak  
 21 of something now, is it on public record or I have to  
 22 write it down? It's on public record.  
 23 My second question is last week, the brother in the  
 24 braces, he said there was a fight for (?) justice that  
 25 you're all aware of. I know the inquiry can't deal with

Page 52

13 (Pages 49 to 52)

1 criminal prosecutions, it's not really there given we've  
 2 not had any prosecutions, so I'm just intrigued as to  
 3 how there is a fight for (?) justice and we haven't seen  
 4 any action of that or anything everybody had (?).  
 5 I wonder if you can clarify in regards to the  
 6 pre-research done with regards to the inquiry, whether  
 7 there are these discrepancies that lead to something  
 8 that could cause a criminal prosecution or that it  
 9 should be passed to the state before this gets rolled  
 10 out, however long it takes for the Public Inquiry to  
 11 come to its conclusions.  
 12 Thank you.  
 13 BERNARD RICHMOND: Can I answer that? I think, yes, it's DJ  
 14 Harry (?). Okay. I was talking, because I'm a lawyer,  
 15 I was talking about the offences which are available if  
 16 people shred documents, and if people shred documents  
 17 then one of the offences they commit is perverting the  
 18 course of justice.  
 19 FROM THE FLOOR: But they don't go to jail though.  
 20 BERNARD RICHMOND: Just give me a second. If anyone is  
 21 convicted of perverting the course of justice, I promise  
 22 you they're going to prison.  
 23 FROM THE FLOOR: Don't promise me nothing.  
 24 BERNARD RICHMOND: I am just trying to answer the question  
 25 as best I can. The answer is if people shred evidence,

Page 53

1 if they try to prevent evidence coming forward to  
 2 a Public Inquiry, it's perverting the course of justice  
 3 and they can be prosecuted. There are also powers which  
 4 the chair has to deal with people for contempt if they  
 5 don't answer a call for documents. So that's the strict  
 6 answer about what the law is.  
 7 FROM THE FLOOR: Mine is short. Excuse me. Just one  
 8 question. I just want to know and can you find out  
 9 seriously how many people died in that building? And  
 10 you can get the list of all the residents of that  
 11 building from the TMO. It's simple. Every community is  
 12 burying people, we lost our friends, we lost lots of  
 13 people. For justice to start we first need to know how  
 14 many people died. That's my second question: that list,  
 15 the TMO has the list of that building and how many  
 16 people lived in it. Thank you.  
 17 (...Applause...)  
 18 FROM THE FLOOR: Thank you very much.  
 19 Very respected judge. You've been part of the  
 20 justice system. You've tried for very many people.  
 21 I understand that you were schooled in immigration law.  
 22 Is that true? When on the 15th you were trying to get  
 23 how many people were in the building, the government  
 24 said they give amnesty to all the undocumented  
 25 immigrants. So we were trying to persuade people to

Page 54

1 come out of the wood works and help with the  
 2 information. Are you aware that the so-called illegal  
 3 immigrants have now been told that after one year they  
 4 are staying and have to be reviewed? That means your  
 5 key witnesses, the people going to testify to you, may  
 6 be deported midway through your investigation.  
 7 (...Applause...)  
 8 I'm coming, because I have 52 different reasons why  
 9 you should, tonight, write an e-mail, a short e-mail, to  
 10 the Prime Minister dissolving this. 52 reasons. I'm  
 11 not going to go through all 52.  
 12 Are you aware of any of those so-called illegal  
 13 immigrants, if we raise for them and pay half a million  
 14 pounds into their account, they become citizens of  
 15 independent means? So it's an economic issue that  
 16 caused that place to burn down. That is also  
 17 threatening key witnesses coming forward to help you  
 18 with your inquiry. Okay.  
 19 The Prime Minister met the locals and the local  
 20 residents on 16 June and promised that (inaudible words)  
 21 and said they would consult the bereaved. They will  
 22 consult the orphaned. There are some children that have  
 23 no parents anymore. They promised they would consult,  
 24 that means find out what you want, like you do in  
 25 Tesco's, you want orange juice, you want apple juice.

Page 55

1 We heard about your appointment on the news, telling us  
 2 you have been appointed as head of the inquiry.  
 3 Do you therefore trust the Prime Minister? Do you  
 4 trust the Prime Minister, that told you and involved you  
 5 in knowing that in the great speech on 21 June, said  
 6 that the bereaved parents and those that are bereaved  
 7 would be prioritised and a special facility would be  
 8 made available to them in their period of bereavement?  
 9 I'm talking about the Prime Minister, who happened to be  
 10 the person you will send all these so-called  
 11 consultations back to and they will approve it and send  
 12 it to Parliament before you begin your work. We are now  
 13 in the sixth week. The Prime Minister has gone on  
 14 holiday. Is that true?  
 15 Now, if the Prime Minister is on holiday and the  
 16 Parliament is in recess, please tell me why you have to  
 17 fool everybody in this room into thinking --  
 18 FROM THE FLOOR: Tried to fool. Tried to fool.  
 19 FROM THE FLOOR: -- that you have everybody's interests here  
 20 at heart, because you say you are going to produce  
 21 a report that has no legal power whatsoever. And that  
 22 is as good as a final-year project in any university,  
 23 sitting on the library shelves and means absolutely  
 24 nothing to the dead and means nothing to those that  
 25 remain.

Page 56

14 (Pages 53 to 56)

<p>1 Don't you see the utter futility of this exercise if</p> <p>2 no prosecution is going to result? No lessons will be</p> <p>3 implemented. Learning lessons is like memorising</p> <p>4 numbers and putting it down to the exam. Where are we</p> <p>5 going to learn the lessons and where are we going to</p> <p>6 apply the lessons?</p> <p>7 So that's what I am saying because in 1982 -- listen</p> <p>8 to this, please, ladies and gentlemen -- in 1982 they</p> <p>9 appointed a public inquiry to look into -- this was</p> <p>10 a Public Inquiry, I'm sure you're aware of this, this is</p> <p>11 familiar with you -- and the inquiry exonerated every</p> <p>12 single person involved in it. And then they said --</p> <p>13 what was the question that was never asked and never</p> <p>14 been answered?</p> <p>15 The questions we are asking today are very, very,</p> <p>16 very basic. Very basic. Some of the people that</p> <p>17 perished in that building that I know personally are</p> <p>18 Muslims. They are supposed to be buried before sunset.</p> <p>19 We know that. I don't know how many of the panelists</p> <p>20 understand the Muslim rights in terms of burial. If you</p> <p>21 do, how much has the inquiry published and laid hands on</p> <p>22 the people that you know? Because you may not be in</p> <p>23 Parliament but you do have an influence as a senior</p> <p>24 member of the bench.</p> <p>25 Lastly, I just want to -- I am going to let you have</p> <p style="text-align: center;">Page 57</p>	<p>1 Thank you.</p> <p>2 FROM THE FLOOR: Can I ask one question?</p> <p>3 FROM THE FLOOR: Hello, hi everyone. I just want to know,</p> <p>4 I live on this road right by the school and the sports</p> <p>5 centre, and when they were being built I've been</p> <p>6 complaining since then that they were too close to the</p> <p>7 building and why were they being put there. I wasn't</p> <p>8 consulted about the school, we got sent something, asked</p> <p>9 about it, refused it, and it still got built.</p> <p>10 I was actually in the sports centre on Tuesday</p> <p>11 complaining again how much both these buildings affected</p> <p>12 us residents. I actually didn't think about the safety</p> <p>13 aspect of it because obviously no one was expecting what</p> <p>14 happened. But now I realise that those buildings</p> <p>15 actually stopped or prevented some fire engines getting</p> <p>16 closer to the building.</p> <p>17 So obviously that really needs to be looked into,</p> <p>18 who agreed those buildings to be so close to a massive</p> <p>19 tower block with so many residents living there.</p> <p>20 And also that the consultation, even those residents</p> <p>21 close by, myself, I am less than, I don't know, 50 yards</p> <p>22 from the school, refused it and it still got put there.</p> <p>23 It's like they ask us questions but they already know</p> <p>24 the answers, like many people have said in this room</p> <p>25 already.</p> <p style="text-align: center;">Page 59</p>
<p>1 this -- the Macpherson report did something unusual in</p> <p>2 terms of investigation. And you are aware of your</p> <p>3 colleague Macpherson, and what exact step has the Prime</p> <p>4 Minister given you in terms of limitless resources?</p> <p>5 Limitless resources? To pursue the truth. Without</p> <p>6 regards to any section of the community. Because this</p> <p>7 doesn't have to do with Labour or Conservatives or</p> <p>8 Tories or liberal, it has to do with children that went</p> <p>9 to bed on Tuesday night and we can't find them.</p> <p>10 The Holocaust was better, the Holocaust excluded</p> <p>11 children, but this is worse than the Holocaust because</p> <p>12 you deliberately prevented us that were trying to go in</p> <p>13 and rescue people. The police fought us back and said</p> <p>14 "No, you can't go in now because it's dangerous for</p> <p>15 you". Then the Fire Service fought us back. Knowing</p> <p>16 what I now know, I would have mentally believed in the</p> <p>17 authority of the police, I would prefer to have been</p> <p>18 injured in an attempt to get to that building that early</p> <p>19 morning.</p> <p>20 So, please, I am pleading with you, in the name of</p> <p>21 all good things, resign. Resign. Rebuke the Prime</p> <p>22 Minister. That's what you need to give the Prime</p> <p>23 Minister. A rebuke. Please. And there are 52 reasons</p> <p>24 why this should be resolved.</p> <p>25 (...Applause...)</p> <p style="text-align: center;">Page 58</p>	<p>1 Also, I would just like to talk about a bit of the</p> <p>2 aftermath. Things are still really crap. I would just</p> <p>3 like to know why we had to go to the services and why</p> <p>4 the services weren't out on the ground. It's not that</p> <p>5 hard to walk around the streets with a badge and</p> <p>6 a notebook and take people's details. They decided to</p> <p>7 sit in the Westway Centre with tables and expected</p> <p>8 people to come to them, and they are still expecting</p> <p>9 people to come to them because I phoned an organisation</p> <p>10 the other day and they said the reason I never received</p> <p>11 the leaflet about support for people living nearby was</p> <p>12 because I didn't phone them and ask for it. That was</p> <p>13 just three days ago, you know, Friday. This is the</p> <p>14 answers we're getting when we're asking for help.</p> <p>15 Well, we shouldn't have to be asking for help.</p> <p>16 There should've been people on the ground at 7 o'clock</p> <p>17 in the morning like we were and my friends were, people</p> <p>18 came out of their houses, they could've been out there</p> <p>19 with their badges, talking to us, trying to find the</p> <p>20 survivors, trying to find the families, trying to find</p> <p>21 the friends, trying to find the traumatised. It still</p> <p>22 hasn't happened and we're like six weeks on. That's all</p> <p>23 I want to say.</p> <p>24 FROM THE FLOOR: Hi, guys, my name is Eartha and I live in</p> <p>25 the community, not in Grenfell, and I've heard the same</p> <p style="text-align: center;">Page 60</p>

1 thing repeated time and time and time again. That key  
2 point is residents, Grenfell Tower residents, local  
3 people, don't have any confidence in you guys as a panel  
4 to be able to give justice to the people. That hasn't  
5 changed. First person, last person, fifth person, tenth  
6 person says exactly the same thing.

7 What I've seen from here there is two corporate  
8 lawyers assisting a corporate judge and one criminal  
9 barrister. In the Inquiries Act 2005, ministers in  
10 particular, and we're talking about the Prime Minister  
11 if we're going to call names, has the power under  
12 section 3, section 4 and section 11 to appoint  
13 additional panel members of expertise and diversity to  
14 balance off the experience of the judge. And so far  
15 I've not seen that happen.

16 (...Applause...)

17 Also, under section 11 the minister has the power to  
18 appoint assessors, people of experience and expertise to  
19 advise the panel, and I haven't seen that happen.

20 So when we're here discussing this inquiry, there  
21 were some key things that I wanted to look at.

22 The questions that should be asked right from the  
23 start, that we have the powers to make this inquiry  
24 inclusive, we have the power to make this inquiry  
25 diverse, we have the power to make this inquiry for

Page 61

1 groups and individuals with a wide range of expertise to  
2 get the truth. And we haven't had that yet.  
3 So as this gentleman said, as the young lady said  
4 before, we do not have confidence. You do not represent  
5 us and you do not look like any of us. We need justice  
6 and we do not have the power and confidence that you are  
7 going to give us that justice. Thank you.

8 (...Applause...)

9 FROM THE FLOOR: Now, the way I see things is that we're  
10 going to run into circles, same thing happening over and  
11 over and over and over and over. The reason for that is  
12 nobody deals with the cause. Always running away from  
13 the cause. Yeah? And if you don't go back to the  
14 basics where things really start you cannot find no  
15 answer to no question. You see? If you don't go back  
16 to the cause, honestly the truth, you never solve any  
17 problem. That's mathematics. When we talk about  
18 criminals fighting crime, how about that? You know the  
19 mathematical situation that that is? (Inaudible words).  
20 Does that make sense to you?

21 This a mathematical equation. It's based on  
22 critical thinking, it's based on logic and reason. And  
23 we know what the problem is. We don't need no inquiry.  
24 We know what is happening. And we have to wake up and  
25 speak the truth. Because we are not frightened of the

Page 62

1 truth, the truth is all there. Yeah? And we come in  
2 peace and we going to sort this problem, we don't need  
3 you to solve no problem for us because we know what is  
4 happening. And we are 100 per cent responsible for it  
5 as well because we believed what was fed to us everyday,  
6 contaminated us with lies and deception, constantly.  
7 Everything you wake up is propaganda and we have had  
8 enough.

9 We have the power not to believe anything coming  
10 from these corporate entities. We want real people to  
11 be tried for the crimes they committed, with their  
12 fraud, deception, it's in the system, you can't deny it.  
13 It's outright criminality end of story. We need to  
14 bring back the common law of this country. All people  
15 are defended by that law. It's not a justice for some.  
16 Everybody, every living being, is protected by that law.  
17 But all of a sudden you got one law for you and another  
18 law for us. And it don't run like that. If you  
19 continue to allow this nonsense going on over and over  
20 again, it's going to be our responsibility, and I tell  
21 you what, if we don't stand up and take control of our  
22 situation, it's going to continue forever. It's all  
23 war, war, war, war. And war is against us. So you  
24 people better know the war is against us, it's open,  
25 it's plain they take the piss out of us and we have had

Page 63

1 enough.

2 I want the panel to address one question now. It's  
3 a very simple question in addition to all the concerns  
4 that have been raised and the concerns to come and  
5 debates we've been having. I want the panel to consider  
6 this question: had the people been listened to? In the  
7 event that the people were listened to, the residents  
8 were listened to, get a hold of the demands, would this  
9 have been avoided, this disaster? That's a key question  
10 for the panel to answer. Not just how the fire started,  
11 not just the material: had the people been listened to?  
12 Because in the aftermath, when people were trying to get  
13 into the council, you have seen in the press a Tory MP,  
14 a Tory official, mouthing the words "Don't let them in".  
15 It's like a horror film. People coming from a horror  
16 were greeted by the horror of rejection. "Don't let  
17 them in." And that has been a metaphor for our society.  
18 Don't let them in. Don't listen to them. Don't hear  
19 their voices. Shut them up.

20 (...Applause...)

21 And if these people were listened to, this could've  
22 been avoided. This is about avoidability. If it  
23 could've been avoided and the people were ignored then  
24 criminal charges need to be brought and people need to  
25 be accountable.

Page 64

16 (Pages 61 to 64)

1 And finally, we answer the question and we conclude  
 2 that had the people been listened to, this could've been  
 3 avoided, then we might start to listen to the people,  
 4 for example when they say this is not representative.  
 5 It's nothing against you, it's just not representative.  
 6 Britain is better than that. Britain have produced  
 7 a fine crop of leaders. You're not the only ones. You  
 8 don't represent the community.

9 When the people are still speaking and the people  
 10 have shown their grit in the aftermath of this disaster,  
 11 that they had a plan and a resilience plan and  
 12 (inaudible) and that plan still continues. The  
 13 community still continues to look after the community.  
 14 So put the situation right all along, why can't you  
 15 listen now? This is a good time to listen. I heard  
 16 an impassioned speech by the brother here last week and  
 17 today: recuse yourself. It's no shame, it's no shame.  
 18 It's in the interests of justice and social rights that  
 19 you should say we're not the right people for this. So  
 20 I urge you to consider everything that I'm saying and  
 21 everything that everybody else is saying. Thank you.  
 22 (...Applause...)

23 FROM THE FLOOR: Start being decent once again.  
 24 FROM THE FLOOR: You have to respond this. Why do you think  
 25 we're doing this? You can't come in here to deal with

Page 65

1 this situation -- I am interested to know how are you  
 2 qualified to be here representing us?

3 FROM THE FLOOR: Can I say something quickly before  
 4 I forget. It's really important I get this through to  
 5 you. I've questions, I would like you all to write them  
 6 down because collectively we would like to know the  
 7 answers.

8 The first one is insurance taken out. I want you to  
 9 fully investigate who took out that insurance and  
 10 exactly where that insurance money will be going. If it  
 11 is going to be paid out, to be paid out to everybody  
 12 that lived in that building. Yeah?

13 The second one is I would like you guys to  
 14 investigate is the handling of families of missing, as  
 15 they say -- but we all know the truth of what  
 16 happened -- we want a full investigation of how they  
 17 were treated, because I had a family member in the  
 18 freezer for a whole week and we were made to believe he  
 19 was badly burnt, we were made to believe that they  
 20 needed his dentist records, and they find out a day  
 21 before that his body was fine. Yes? And they left him  
 22 in a fridge for 10 days with his body fine and made us  
 23 believe he jumped or was burnt and he was  
 24 unidentifiable. So all of the officers dealing with the  
 25 families need to be investigated also.

Page 66

1 FROM THE FLOOR: Okay. I want to basically ask everybody in  
 2 this room: can you put your hands up who voted for the  
 3 Corporate Manslaughter Act 2007? Did any of you vote,  
 4 can we see hands up? Ah, I don't see many hands up. Is  
 5 this a democracy? Yes or no? What is a democracy?  
 6 I was under the impression that a democracy here is  
 7 majority rule. Here, minority here, in fact zero, for  
 8 people that asked for that act to replace the common law  
 9 charge of manslaughter against individuals. In that Act  
 10 it's all about money and finances and shareholders and  
 11 all that. Does that concern the people who have passed  
 12 away in the tower or the families left suffering as  
 13 a result?

14 FROM THE FLOOR: Sorry, I've got to say one thing. All of  
 15 the questions we've asked have not been answered today.  
 16 Nothing is satisfying. We know nobody is going to be  
 17 arrested for this. I talk for all of us here because  
 18 what we need to do is keep united and we need to build  
 19 our own cases because they are not going to put anybody  
 20 in prison. We've got the power so I urge all of us not  
 21 to be divided and to stand united to get the people that  
 22 did this in prison.

23 FROM THE FLOOR: Okay, people, I ask all of you to check out  
 24 Soulutionaries Media Network on YouTube, a video which  
 25 shows evidence, hard evidence. As I said, we've done

Page 67

1 investigations of our own. We've done our own Public  
 2 Inquiry and it's international. We have concrete prima  
 3 facie evidence to say exactly what happened, that this  
 4 was premeditated and, you know, just to show you how  
 5 wicked this is.

6 The company that put the cladding on has since  
 7 Grenfell been awarded £65 million for burning that  
 8 building down and killing everybody inside it. 65 --  
 9 Radion(?), that's the company name. This is the kind of  
 10 blatancy that we're dealing with.

11 Right now, I ask everybody to join in our class  
 12 action. We're going to take legal action, we're going  
 13 to flood your courts with indictments against the people  
 14 until we bring the whole wicked, evil structure down.  
 15 The whole evil, wicked, Satanic culture Luciferian  
 16 structure. We're going to bring it down and replace it  
 17 by divine law, God's law. That's what we're going to  
 18 replace it by.

19 Your time is finished. Your day is finished.  
 20 The day of wickedness and destruction and evil and  
 21 murder and terrorism upon these innocent people is  
 22 finished. I don't say you personally, but this is the  
 23 reality. Your paradigm, which sees to it that people  
 24 are abused, impoverished, murdered, they're lied to.  
 25 You can stand here and talk about corporate

Page 68

17 (Pages 65 to 68)

1 manslaughter. If it was your children in there, would  
 2 it be corporate manslaughter? No, it wouldn't; it would  
 3 be murder. If you was in there, it would be murder. So  
 4 it's the same for you. You're no different from us.  
 5 You're no different from us. Soulutionaries Media  
 6 Network on YouTube. Check it out, people, and join the  
 7 class action. Peace and love to all the families and  
 8 all those affected.

9 FROM THE FLOOR: This has to do based on records being  
 10 removed from the public records. Up until today records  
 11 have been consistently removed from K&C's files. How is  
 12 the inquiry going to access that information when  
 13 something has been removed?

14 FROM THE FLOOR: We know the information. We've got the  
 15 proof. They don't need the files. We've got the proof  
 16 already.

17 FROM THE FLOOR: A question from this lady I'm very pleased  
 18 about because you didn't answer a question. So just  
 19 before I say -- I've got two questions -- just a couple  
 20 of observations.

21 If people keep saying the same thing over and over  
 22 again to you that's because they believe you have not  
 23 heard them. If you want them to stop doing it you need  
 24 to respond. You need to respond. They need to respond.  
 25 The people are saying the same things over and over

Page 69

1 again. It's because we believe you haven't heard us,  
 2 not because we're nutters who don't have anything better  
 3 to do than to say the same thing over and over again.  
 4 You're nodding kindly but not really responding. You  
 5 need to respond that.

6 Also I've got a detailed question on the documents.  
 7 The documents I know, like I know they're protected once  
 8 there's a Public Inquiry in place. What I want to know  
 9 is -- because this is community whispers, I'm not sure  
 10 if it's the case -- is it the case that those documents  
 11 could've been destroyed before the Public Inquiry has  
 12 been established? Anything that has been destroyed  
 13 before that would then lead to any kind of prosecution  
 14 because of the Public Inquiry. Is that right? Because  
 15 far as I'm aware there's a couple of weeks in which  
 16 Robert Black is still -- has full access to KCTMO  
 17 because he's still on the payroll, even though he's not  
 18 doing whatever job, he's still on the payroll; Rock  
 19 Feilding-Mellen, still on the payroll, and still has all  
 20 of the access and all of the privilege; Nick  
 21 Paget-Brown, still on the payroll. They're all still on  
 22 the payroll, they all still have access to the council's  
 23 systems and until the Public Inquiry is in place those  
 24 documents are not protected. Is that right?

25 SIR MARTIN MOORE-BICK: Well, it's not entirely correct.

Page 70

1 Some of you may have been at a meeting held by the  
 2 Lancaster West Tenants Group about two or three weeks  
 3 ago, and there was -- among those present was the  
 4 Chief Executive who has been put in to run Kensington  
 5 and Chelsea, and he says that he's had all their servers  
 6 and files locked down. Well, I quite agree, in theory,  
 7 there could have been documents lost during the first  
 8 week or two. But -- I said "in theory" -- but I've no  
 9 reason to think that there were. And it's very -- well,  
 10 all I can say is that when documents are destroyed it's  
 11 nearly always possible to find out what they were and  
 12 very often possible to recover them from other sources.

13 FROM THE FLOOR: Answer the questions, please.

14 FROM THE FLOOR: So that's unsatisfactory, I hope you  
 15 understand and what we need, now is forensic going over  
 16 of those computers, and we need -- that needs to be done  
 17 under public scrutiny, not behind closed doors.

18 My other question is that I would really like to see  
 19 the terms of this inquiry consider whether it's  
 20 appropriate for landlords to make building regulations.  
 21 That has to be a question. Because, as far as I'm  
 22 aware, the majority of MPs are landlords, aren't they?  
 23 Is that appropriate they then get to say what's --  
 24 I would like -- that's how wide the Public Inquiry  
 25 should be. I note the Stephen Lawrence inquiry was

Page 71

1 a very successful inquiry and it had a two-pronged  
 2 approach, a really general term of reference, which is  
 3 matters arising from the death of Stephen Lawrence. The  
 4 other thing that it had is in particular reference to  
 5 how racially-motivated crimes are investigated and  
 6 prosecuted in this country. Now, I think we should  
 7 think really carefully about class-motivated crimes or  
 8 class-motivated indifference. That's what we should be  
 9 looking at here, because there's a systemic culture of  
 10 indifference here.

11 And the last point I want to make to you, Sir, you,  
 12 the Judge, Martin, is really it plays badly to  
 13 a community who have no hope of the position that you're  
 14 in to say to them, "I don't have the power." Because,  
 15 from where I'm sitting, you're a very powerful man,  
 16 you've got power -- you've got power to go back to the  
 17 Government and say that this isn't good enough. So  
 18 don't come and tell me it's not good enough, don't come  
 19 and tell this community, "My tools aren't powerful  
 20 enough to do the job we need." Go back and fix it.  
 21 Because I can't do it for you. But if anyone in this  
 22 room has a chance of doing it, it's you. So don't tell  
 23 us you're not powerful.

24 FROM THE FLOOR: So I just wanted to raise something.  
 25 A sister over there sitting next to David made a really

Page 72

18 (Pages 69 to 72)

1 good point. She asked a question, and she asked you all  
 2 to give an answer, and what she asked was can you  
 3 explain to this room what you think it is, what  
 4 significant qualifications and experience that you have  
 5 that makes you believe that you can sit in judgment,  
 6 where you can sit on this inquiry? Clearly there needs  
 7 to be a vote of confidence in you. I'd like to hear  
 8 an answer for that.

9 FROM THE FLOOR: Stand up, please. Yes, all right. The  
 10 reason why I think I have the qualifications is because  
 11 I spent 20 years as a judge looking into the sort of  
 12 problems that have to be considered in relation to this  
 13 fire, and all the sort of problems you've raised, and  
 14 that experience, I think, makes me a suitable person to  
 15 carry out this inquiry. It's not --

16 FROM THE FLOOR: Give some examples.

17 SIR MARTIN MOORE-BICK: You want to hear examples as well?

18 FROM THE FLOOR: I going to analyse why, because technically  
 19 of course you are right. But the last time you saw  
 20 somebody that looked like this audience and had to sit  
 21 in judgment you sent them to Coventry. You sent them to  
 22 Coventry. Okay, Luton or wherever. And you had to be  
 23 overruled by a Senior Judge in the Supreme Court. So  
 24 somebody who had more of a humanity and an understanding  
 25 that people need community. Do you think that just

Page 73

1 because this policy of the Tory Government that somebody  
 2 can't afford to live with people who can't afford to  
 3 live that they should be shipped out? You think -- you  
 4 think the people here are just from our community? The  
 5 value is to see each other. We don't want to see people  
 6 shipped out to Milton Keynes. We need her children,  
 7 they're our future.

8 So when the Government of a policy, which is  
 9 a policy, a social cleansing, an independent judge  
 10 should approach that policy and supposed to be  
 11 independent. We have a balance of power in this  
 12 country, social cleansing, this is for the community.  
 13 You had to have a sensitive person. That's not right.  
 14 So this is why I have a distrust in the community.

15 You have to know technically we know that you could,  
 16 but your very presence is an affront to this community  
 17 who lost people in that tower.

18 (...Applause...)

19 SIR MARTIN MOORE-BICK: That's an observation with no  
 20 answer, is it? The case you referred to turned on  
 21 a very technical question of law with which two other  
 22 judges agreed. Now, no judge can put his hand on his  
 23 heart and say that he's never been overruled, that's the  
 24 way the system works.

25 FROM THE FLOOR: Was she white or black? Answer. Judge,

Page 74

1 was she black or was she white?

2 RICHARD MILLETT: There are two things I want to say. The  
 3 first is how I felt about seeing that tower the first  
 4 time I saw it.

5 FROM THE FLOOR: It's not a qualification.

6 RICHARD MILLETT: To me it was a blight on our society. It  
 7 is a disgrace. It is the best witness, but a witness of  
 8 what is what we're here to find out. I am devastated  
 9 that I live in a country where this could happen. But  
 10 I'm also proud to live in a country which is able to  
 11 establish an independent inquiry of pretty dull people,  
 12 who are not politicians, to root out the truth with  
 13 every means we have under the rule of law.

14 FROM THE FLOOR: When you going to start investigating that  
 15 one?

16 RICHARD MILLETT: To explain to you how I feel about  
 17 Grenfell is a way of explaining to you how I think  
 18 I might be qualified to help. Yes, I'm not certain --

19 FROM THE FLOOR: Stop patronising us. You start talking  
 20 properly.

21 FROM THE FLOOR: What are your qualifications?

22 FROM THE FLOOR: We need someone who uses some kind of  
 23 credibility. Don't tell us about how you feel.

24 What are your qualifications?

25 There has to come a point where you actually honour

Page 75

1 what you actually say, and if you are listening.

2 RICHARD MILLETT: Let me just explain the way we're sitting  
 3 here quietly -- please be quiet -- please give me the  
 4 courtesy of listening to me, I've had the courtesy of  
 5 listening to you.

6 So we've been asked to answer questions, and this  
 7 meeting isn't about us answering questions, it's about  
 8 us listening to you so that we can build a terms of  
 9 reference that is workable, manageable and on an urgent  
 10 basis and is going to achieve a very thorough  
 11 investigation of everything that is manageable in the  
 12 causal change. I'm not patronising you, I am trying to  
 13 explain --

14 FROM THE FLOOR: You patronised me when I met you. I asked  
 15 you a simple question: how were you selected to appear  
 16 on this panel? And you said, "I was drawn from a short  
 17 list." And I said, "Where did that short list come  
 18 from?" I asked you very calmly, Richard, I said how was  
 19 that short list compiled? And you couldn't answer the  
 20 question. And your answer was, "I was too timid to  
 21 ask." Am I -- I am not even going to answer you --

22 RICHARD MILLETT: Can I just explain for the whole meeting  
 23 what we're --

24 FROM THE FLOOR: So if you don't even know why you're on  
 25 this panel how are you going to be emotionally robust

Page 76

19 (Pages 73 to 76)

1 enough to take on the council and the property company  
 2 screwing these people over? I'm gone.  
 3 FROM THE PANEL: That is a very fair point. I'm not. What  
 4 I want to do is explain to you that we've been here for  
 5 6 weeks precisely because the terms of reference  
 6 could've been set 4 weeks ago and we would be working by  
 7 now; but, for reasons that have nothing to do with me or  
 8 the Chairman, the Government has allowed us that we  
 9 should listen to you so that we can hear you, take on  
 10 board your concerns, take on board your evidence, take  
 11 on board your observations in meetings like this and  
 12 then reduce them to a workable terms of reference so we  
 13 can get started now.  
 14 Now, it's been very useful, we've had points about  
 15 insurance, we've had points about the community,  
 16 communications. We are going to be looking very  
 17 closely -- we are going to be looking very closely at  
 18 all of the things...  
 19 (Indistinct noise from the floor)  
 20 MARK FISHER: Excuse me. My name is Mark and I'm the  
 21 Secretary to the inquiry. My job is quite simple, which  
 22 is to help Sir Martin and his colleagues get to the  
 23 truth as quickly as we possibly can. That is what we  
 24 intend to do.  
 25 Now, this meeting -- this meeting is designed to

Page 77

1 help us set our terms of reference and advise the  
 2 Prime Minister on what we think our terms of reference  
 3 should be. I have been in public service for 34 years;  
 4 that is my qualification. 34 years trying to help the  
 5 people of this country by delivering public services.  
 6 That's what I do. To me it is --  
 7 FROM THE FLOOR: You think you're our master and telling  
 8 us -- we're servants.  
 9 MARK FISHER: Can I --  
 10 FROM THE FLOOR: No, no.  
 11 MARK FISHER: Can I just finish? I'm so sorry. What we are  
 12 planning to do -- what we're planning to do -- what  
 13 we're planning to do is take all the feedback you've  
 14 given us on the terms of reference, work on what they  
 15 should be, covering all the various issues you have  
 16 raised with us, and we will then -- we have one or two  
 17 more meetings -- we will then go to the Prime Minister  
 18 saying this is what we think the terms of reference  
 19 should be.  
 20 We also -- can I just --  
 21 FROM THE FLOOR: I need to just ask one question.  
 22 MARK FISHER: Yes, of course.  
 23 FROM THE FLOOR: The Prime Minister asked herself who --  
 24 MARK FISHER: Let this lady speak.  
 25 FROM THE FLOOR: Can I have the microphone? The judge or

Page 78

1 the panel or the Prime Minister ask who did send the  
 2 helicopter to fan(?) the fire when it started at the  
 3 beginning? Did anyone ask this question? How -- excuse  
 4 me, I haven't finished -- how the media found out about  
 5 the Grenfell Tower. Why -- why the fire brigade did not  
 6 use the helicopter to rescue the people, especially the  
 7 lady with her children, on Facebook, who died saying  
 8 goodbye to her families back home.  
 9 People filming the Grenfell Tower at that time, are  
 10 they human or inhuman? Children who were screaming at  
 11 that time. Does the media enjoy seeing people dying?  
 12 So why the Prime Minister did not ask the Fire  
 13 Brigade to send the helicopter to the people from the  
 14 top of the tower?  
 15 Thank you.  
 16 MARK FISHER: Just in response, obviously the inquiry will  
 17 look at the issue of the response to the fire in terms  
 18 of the Fire Brigade and all that, that is part of what  
 19 we are going to be doing. Can I -- I think --  
 20 SIR MARTIN MOORE-BICK: Ladies and gentlemen, we have  
 21 overrun already by 20 minutes, and I'm afraid we've  
 22 nearly got to the point where I'm going to close the  
 23 meeting. But before I do I will let this lady have the  
 24 last word.  
 25 FROM THE FLOOR: I didn't get my answer, I've been waiting

Page 79

1 quietly. I want to speak to you as a judge. I know  
 2 what your powers are. You've been sat here for one  
 3 hour. On the face of it, on the balance of  
 4 probabilities, based on what you heard, we have been  
 5 discriminated. I want you to make a decision now to  
 6 include discrimination and how we were treated. You  
 7 don't have to think about it, you have established the  
 8 facts, hundreds of people have told you.  
 9 Please tell us now do you agree to look at -- to  
 10 investigate the way we were discriminated, how that  
 11 relationship with the Local Authority can change, and  
 12 you will appoint, not counsel advice on your panel,  
 13 expert from our communities, experts in discrimination.  
 14 You want us to trust you? You want us to trust you? We  
 15 can trust you. Meet us halfway. Now tell us "yes" to  
 16 those questions and then we can talk.  
 17 FROM THE FLOOR: So sorry, I have to just ask the first --  
 18 FROM THE FLOOR: Let him answer.  
 19 SIR MARTIN MOORE-BICK: I'm not making any decisions now.  
 20 FROM THE FLOOR: You can, you can.  
 21 SIR MARTIN MOORE-BICK: But I can tell you that I am  
 22 considering -- that I am considering whether I should be  
 23 assisted by other people, and also who they should be.  
 24 But no decision has been made.  
 25 FROM THE FLOOR: The panel needs a panel.

Page 80

20 (Pages 77 to 80)

1 FROM THE FLOOR: I promise it's really short. I just want  
 2 to know from you right now, when you first started your  
 3 idea of what the scope of the terms of reference should  
 4 be it was quite narrow. And obviously what we want is  
 5 probably far too broad. But could you share with us now  
 6 whether or not you do agree that we need to pull the  
 7 terms of reference further than just the fire itself?  
 8 Please.

9 SIR MARTIN MOORE-BICK: I think there was misunderstanding  
 10 about what I originally was thought to think the terms  
 11 of reference should cover. It always seemed to me that  
 12 the terms of reference should be wide enough to cover  
 13 the history of the building, the way in which it was  
 14 developed, in particular the most recent refurbishment,  
 15 and of course the warnings, if any, given by local  
 16 residents to the council and how those warnings were or  
 17 were not acted upon. All of those things were important  
 18 matters to be considered. Whether we can also cover  
 19 what happened afterwards is something I want to  
 20 consider, because you must bear in mind that we need to  
 21 have answers to the central questions quickly because  
 22 they affect a lot of other people who live in tower  
 23 blocks. And if we make our terms of reference too wide  
 24 it will take too long.

25 Now, I'm very grateful to you all for coming, I hope

Page 81

1 you --

2 FROM THE FLOOR: What about discrimination, Mr Judge?

3 SIR MARTIN MOORE-BICK: -- it's time, I'm afraid, to stop  
 4 the meeting. Thank you all very much.
